

Sichuan Relief Fund

(Appeal to each Scout member for donation HK\$50 or more)

In response to the earthquake disaster in Sichuan, Scout Association of Hong Kong launched an emergency appeal earlier to all Hong Kong Scouts for donation to give help to earthquake victims.

The disaster has caused extensive damage. As of 12 June, the number of deaths recorded has risen to more than 69,000. It is estimated that the direct economic loss to be about RMB 150 billion and it will take 8 years to rebuild the affected regions. The donation raised from the emergency appeal may not be able to meet the financial needs incurred.

In response to the massive relief efforts needed after devastation, the "Sichuan Relief Fund" ("SRF") is established by the Scout Association of Hong Kong to support the rehabilitation work and related service plan in affected regions. We are the largest uniform youth organization in Hong Kong with about 100,000 members. As many a little makes a mickle, I sincerely urge each Scout member to donate HK\$50 or more to the SRF in order to build a better future for the victims. The arrangement of the fund will be announced in due course.
