Sichuan Relief Projects

(Appeal to each Scout member for donation HK\$50 or more)

Sichuan earthquake has caused an extensive loss in life and properties. Colossal efforts are in need for post-quake relief works. Scout Association of Hong Kong (“SAHK”) and Sichuan Youth Federation have recently signed a letter of intent on Sichuan Relief Projects for joining hands to carry out middle to long-term psychological and related relief projects for youths in the affected regions, which include:

- ◆ establishing and supporting a training centre for youth in the affected region;
- ◆ establishing or supporting other youth activity centres and participating in other youth projects in the affected region;
- ◆ launching preliminary psychological relief project by arranging youths living in the affected region to participate in short-term training camps in Hong Kong.

The above projects will be funded by the “Sichuan Relief Fund” (“SRF”) established by SAHK. The projects will be seriously considered by SAHK personnel who will visit the affected region directly. For giving a hand to the victims, each Scout member is sincerely urged to donate HK\$50 or more to the SRF.
