**Donations to the victims of flooding disaster
in the Philippines and earthquake in Indonesia**

(An appeal to all Scout members for donating HK\$50 or more)

Luzon in the Philippines was badly hit by Tropical Storm Ketsana on 26 September which brought the heaviest downpour in four decades. It spawned the worst flooding causing 240 of deaths and collapse of 500,000 houses. About 110,000 people were temporary settled in schools, churches and shelters. Besides, a powerful earthquake, measuring 7.6 on the Richter magnitude scale, struck Sumatra in Indonesia on 30 September, following a devastating 6.9 magnitude aftershock. The death toll has risen to 1,100 and thousands of houses were collapsed. It is believed that over thousands of people were injured and thousands of villagers were besieged in the collapsed houses. The 2 natural disasters, which devastated the Philippines and Indonesia, brought about tremendous economic damage and loss of life. Many nations have pledged or provided emergency supplies and relief support to the victims.

In the spirit of helping others, I sincerely urge each Scout member to donate HK\$50 or more to the designated bank account of Scout Association of Hong Kong. All donations collected will be forwarded to the Boy Scouts of the Philippines and the Gerakan Pramuka (the national Scouting organization of Indonesia) for the relief and rehabilitation work in the affected areas.
