

## **Donations to support earthquake relief works in Chile**

(An appeal to all Scout members for donating HK\$50 or more)

A ruthless 8.8-magnitude earthquake badly struck Chile on 27 February. Giant waves set off by the quake crashed the coastal area near the epicenter. Until now, over 500 thousand homes were shattered and 2 million people affected. The massive quake cut off power lines and communications which plunged much of the State Capital, Santiago, into darkness. Six of Chile's 15 regions were affected and Chile's President has declared a "state of catastrophe".

In the spirit of helping others, I sincerely appeal to all Scout members to donate HK\$50 or more each to the designated bank account of Scout Association of Hong Kong. All donations collected will be forwarded to Asociación de Guías y Scouts de Chile for the relief and rehabilitation work in the affected areas.

Donations can be made through :
