Scoutcraft Accreditation Scheme Syllabus

Scoutcraft Accreditation Scheme (known as "SAS") was launched in 2000 by the Scout Association of Hong Kong to enable Scout members and participants of the great outdoors to acquire, develop and sharpen their wilderness skills. The Skill Programmes currently offered under the Scheme are: Campcraft, Campfire Leadership, Knotcraft, Mountaineering, Pioneering and Seamanship.

To facilitate access to SAS background and the outlines of those skills, the new Syllabus is now available for sale in "The Scout Shop of Hong Kong". Each copy costs only \$25.
