

Skill Courses of Non-sectional Leaders Wood Badge Training Scheme

This Circular supersedes the Training Circular No. 29/2009 issued on 15 June 2009. Name of some skill courses were revised, and thus update of the captioned circular was made accordingly.

Since the implementation of the existing “Sectional Leaders Wood Badge Training Scheme” in 2000, all Sectional Leaders are not required to complete prescribed skill courses as the prerequisite of the completion of Wood Badge Training. However, Non-sectional Leaders, Group Scout Leaders and Commissioners have to complete at least two relevant skill courses before participating the Advanced Course in order to fulfill the requirements of the Training Scheme. The list of recognized skill courses for Non-sectional Leaders, Group Scout Leaders and Commissioners is as follows:

1. Skill courses are divided into major or elective subjects, the courses are listed out below:

Category	Non-sectional Leaders	Group Scout Leaders & Commissioners
Major Subject	<ul style="list-style-type: none">◆ Human Relations Course◆ Decision Making and Strategic Planning Course◆ Management Development Course◆ Action-Centred Leadership Course◆ Transactional Analysis Course	<ul style="list-style-type: none">◆ Human Relations Course◆ Decision Making and Strategic Planning Course◆ Management Development Course◆ Action-Centred Leadership Course◆ Transactional Analysis Course
Elective Subject	Any one of the skill courses recognized by Training Branch (Please refer to the attached course list)	<ul style="list-style-type: none">◆ Knotting Course◆ Campcraft Course◆ Practical First Aid Certificate Course◆ Life Saving Course

2. Non-sectional Leaders, Group Scout Leaders and Commissioners who have chosen “Non-sectional Leaders Wood Badge Training Scheme” have to complete at least two skill courses of their relevant sections (one of the completed courses should be chosen from the major subjects). This is the prerequisite of participating the Advanced Course of the relevant Section. In other words, the completion of one major skill course plus one elective skill course or the completion of two major skill courses both fulfill the requirements.

MAK Wai-ming
Training Commissioner

領袖技能訓練班 Skill Course
