

Scout Unit Portal

This Circular substitutes IT Circular No. 02/2012 issued on 15 September 2012.

The Association now offers a free web hosting service “Scout Unit Portal”. This service is a cloud-based platform that provides easy-to-use management interface and various functions of plug-ins to allow Scout unit creating and managing their website easily. With this free platform, units can share their latest news and information, interact and communicate with members and public closely.

Please use the enclosed consent form to apply and return to IT Office by post (Room 1002, 10/F, Hong Kong Scout Centre, Scout Path, Austin Road, Kowloon) or email to itoffice@scout.org.hk.

Please note that only ONE application is allowed for ONE Scout unit or ONE Scout Group, and the application result will be notified by email. For the details of the service, please visit the following website (<http://www.scouting.org.hk/ict/sup/>). For any enquiries, please contact IT Office at 2957 6433 or by email to itoffice@scout.org.hk.
