

THE EARLY DAYS OF HONG KONG SCOUTING-PART 21

ARCHIVES OF THE PAST - Part 11

The following names appeared in the February 1941 issue of the Hong Kong Scouting Gazette, some 10 months before the fall of Hong Kong to the Japanese Imperial Army on 25th December 1941. It recorded those who had gained Proficiency Badges in January 1941. By 1941 most of the members of the then Boy Scouts Association Hong Kong Branch were Chinese with former Assistant Chief Commissioner (Estate) IP King-chuen passing the Athlete Badge as member of the 13th Hong Kong Group.
