Chief Commissioner's Report

The year 2026 marks the celebration of the Hong Kong Scout 115th Anniversary, a significant milestone in the development of Scouting in Hong Kong. While upholding the values and traditions of the Scout Movement, Scout Association of Hong Kong (SAHK) remains committed to operating an educational movement for young people by providing challenging and progressive training programmes and activities that foster their physical, intellectual, social, spiritual and aesthetic development. During the year, SAHK continued to implement the Strategic Plan (2024–2027), focusing on four key pillars: "Become the Best Youth Uniformed Group", "Whole Person Development and Education", "Good Governance" and "Caring for the Society". Through the concerted efforts of our members, volunteers and partners, we succeeded to make steady progress towards these objectives.

Expansion of the Scout Movement

SAHK continued to strengthen collaboration with organisations under the Strategic Partnership Programme to establish new Scout Groups and encourage more young people and their families to join the Scout Movement. To enhance member retention, we strived to provide diverse opportunities for Scouts to develop and showcase their talents in the performing arts. In August 2025, Scout Association of Hong Kong Performing Arts Units presented a famous Broadway musical show, "Seussical JR.", at the Sha Tin Town Hall Auditorium. The production involved more than 60 Scout members and featured five performances, attracting over 1,160 audience members.

Civic Responsibility and Community Engagement

To foster civic responsibility among young people, SAHK continued to develop the Active Citizenship Badge Series in collaboration with various government departments. The badge series provides a structured and progressive framework encouraging young people to become active and responsible citizens. Further to the "Anti-Deception Badge", "Child Protection Badge" and "Anti-Drug Badge" developed with the Hong Kong Police Force, SAHK launched the "Community Emergency Responder Badge" in partnership with the Hong Kong Fire Services Department in August 2025. More than 500 Community Emergency Responders have been trained through the programme. In October 2025, SAHK partnered with the Environmental Campaign Committee to launch the "Green Pioneer Badge (Pilot Scheme)", encouraging Scout members to take an active role in environmental conservation. Working closely with the Hong Kong Customs and Excise Department and the Intellectual Property Department, SAHK continued to organise the "Intellectual Property Rights Fun Day". The concept of respecting intellectual property rights was incorporated into the "Community Involvement Badge", helping young people better understand the importance of intellectual property protection.

Promoting Youth Mental Health

Supporting the well-being of young people remains a key priority for SAHK. The "Friendly Community – SOUL Keeper Scheme" continued to promote mental health awareness through training programmes and community outreach activities. In 2025, the Scheme was honoured with the "Excellence in Children and Youth Service Award" by The Hong Kong Council of Social Service, affirming SAHK's ongoing dedication to youth well-being. Looking ahead, we will continue to integrate mental health elements into our regular training programmes and support members in developing positive values and resilience.

International Engagement

International and Mainland exchange programmes continued to provide valuable opportunities for members to broaden their horizons, experience different cultures and build friendships across borders. Upholding the concept of experiential learning that "the World is the best classroom", SAHK actively encourages Scout members to develop a broader perspective through overseas activities and exchange programmes. In 2025, SAHK coordinated exchange activities involving more than 1,800 members. Over 950 Scout members participated in overseas Scout activities and exchange programmes in Portugal, Norway, Finland, the Netherlands, Singapore and Malaysia. A further 860 members visited Beijing, Dunhuang, Lanzhou, Harbin, Shunde and Zhuhai, deepening their understanding of national development and Chinese culture. On the international front, SAHK has successfully been selected to host the "29th Asia-Pacific Regional Scout Conference" in 2028. This regional event will bring together Scout representatives from across the Asia-Pacific Region to discuss the future development of the Scout Movement and further strengthen international cooperation and exchange. In addition, several members of SAHK were elected or appointed to serve on various committees within the Asia-Pacific Scout Region. I am honoured to have been elected as a member of the APR Scout Committee (2025-2031) and look forward to working with fellow Committee members to contribute to the sustainable development of Scouting throughout the Region.

Good Governance

SAHK successfully completed both the World Organization of the Scout Movement (WOSM) Safe from Harm Assessment and the Global Support Assessment Tool (GSAT 3.0) in 2025. Both the results were remarkable and truly demonstrated our excellence in governance framework and institutional development. We will continue to strive our best to upkeep and enhance the quality standard.

Caring for Society

SAHK continued to encourage Scout members to contribute to society through active service and community engagement. During the year, our members participated in numerous community and public service activities, including "Hong Kong Volunteer Programme of the 15th National Games", the "Flag-raising Ceremony Celebrating the 76th Anniversary of the Founding of the People's Republic of China", and the "Standard Chartered Hong Kong Marathon 2026". We are honoured to have been awarded the "Active Participation Award (Organization)" at the "Volunteer Recognition Ceremony of the 15th National Games, the 12th National Games for Persons with Disabilities and the 9th National Special Olympic Games". This is certainly a great recognition and encouragement. What were more, after the passage of Super Typhoon Ragasa, the Scout Special Response Team (SRT) assisted in clearing fallen trees and restoring access to affected roads. In addition, right after the outbreak of fire at Wang Fuk Court in Tai Po, SAHK immediately opened Tung Tsz Scout Centre, one of the emergency accommodation facilities recognised by the Home and Youth Affairs Bureau, and established a 24-hour command centre to coordinate support services and provide timely assistance to affected residents.

Celebrating the 115th Anniversary

The Hong Kong Scout 115th Anniversary is not only a significant milestone in our history, but also the beginning of a new chapter for SAHK. On 8 January 2026, SAHK held the "Hong Kong Scout 115th Anniversary Press Conference" to introduce the major anniversary programmes and share our vision for the future. This was followed by the amazing "Empowering FUTURE@115 Concert and Hong Kong Scout 115th Anniversary Kick-off Ceremony" on 28 February 2026, officially launching the celebrations and reaffirming the mission and commitment of the Scout Movement. To move forward, Scouting will continue to preserve our legacy. We will join hands with our Scout leaders, strategic partners and stakeholders to support and provide diverse opportunities for our young people to learn, develop and make contributions to the community and the Country.

Programme Branch

Revision of Sectional Training Schemes

Following two years of in-depth discussions and extensive consultation, the revised Sectional Training Schemes for five Sections will take effect in August 2026. These revisions present the core values and developmental directions of each Section with greater clarity. To introduce the key highlights of the revisions, Programme Branch held the first briefing session on 28 March 2026 and received an enthusiastic response from 184 participants. Moving forward, continuous promotion and briefing sessions will be arranged to ensure the full implementation of the new training schemes, marking a new milestone for our training framework.

Promotion of Chinese-style Footdrill

To further the development of Chinese-style footdrill, Programme Branch organizes training sessions and practices regularly while assisting five Regions in conducting footdrill competitions to elevate overall standards. On 29 March 2026, our Association dispatched a contingent to participate in the selection of flag-raising team for the May Fourth Flag Raising Ceremony at Golden Bauhinia Square. Our Footdrill Competition 2026 was held on the same day, motivating members to engage in rigorous training and showcase their exemplary teamwork.

Diversified Activities

Sports Day for Grasshopper Scouts 40th Anniversary was held on 15 March 2026, bringing together Grasshopper Scouts from across Hong Kong to foster a habit of regular exercise and promote a healthy lifestyle. On the same day, the Hong Kong Scout Dragon Boat Championships 2026 took place with 15 participating teams, creating a vibrant and energetic atmosphere. Furthermore, the “Duty to God Day 2026” held on 28 March not only allowed members to revisit the Scout Promise but also promoted mutual understanding and respect through interfaith exchange. Other notable events included the 2025 Scout Regatta Presentation cum Sea Activities Safety Carnival and the “Hong Kong Chief Commissioner’s Shield 2026 Final”, all of which provided platforms for our members to showcase their talents and potential.

“Jockey Club Badges: Preparing Tomorrow’s Leaders” Project

Funded by The Hong Kong Jockey Club Charities Trust, various youth uniformed groups have organized a wide range of programmes under the “Jockey Club Badges: Preparing Tomorrow’s Leaders” project over the past two years. On 10 January 2026, our Association alongside seven other uniformed groups hosted a sharing session cum closing ceremony to share the achievements of the project. The event featured different performances by uniformed groups and guest appearances, attracting over 1,000 attendees and bringing the two-year project to a celebratory and successful conclusion.

Active Citizenship Badges Series: Serving the Community

The “Active Citizenship Badge Series” has received an overwhelming response since its launch. During the year, two new badges, the “Community Emergency Responder Badge” and the “Green Pioneer Badge (Pilot Scheme)”, were introduced. Together with the existing “Anti-Deception Badge”, “Child Protection Badge” and “Anti-Drug Badge”, they formed a comprehensive series of five badges. Programme Branch remains committed to expanding the series to encourage members to fulfill their civic duties, serve society, and work together to build a better community.

Training Branch

Leaders’ Training

During the year, Training Branch organized a total of 199 training programmes with 5,512 participants. They included 93 Wood Badge Courses, 40 Leader Skill Courses, five workshops and 16 examinations held under Scoutcraft Accreditation Scheme, two Basic Operation Courses organized for combined staff and 29 training programmes covering a wide range of topics such as mental health, facilitation skills, spiritual development, special educational needs and Sustainable Development Goals (SDGs). In addition, 1,502 individuals completed the “Safe from Harm Online Self-learning Course” while 142 adult members were awarded the Wood Badge.

The above training programmes reflected the effort of our committed Hong Kong Training Team comprising 34 Leader Trainers, 61 Assistant Leader Trainers and 175 Trainers.

Wood Badge Training Scheme Review

Effective from 1 April 2025, the revised Sectional Leader Wood Badge Training includes both self-learning online courses and face-to-face courses. The hybrid learning mode enables leaders to complete online modules at their own pace, while the face-to-face modules allow leaders to experience and participate in person, maintaining the traditional Scouting approach to learning.

As the revised Wood Badge Training marks its first anniversary, and in connection with the updates on Sectional Training Schemes to be introduced in August 2026, a review of the Wood Badge Training Scheme will be conducted to refine and enhance the training content.

Quality Assurance

Training Branch and all regions have fully utilized the online questionnaire system to collect feedback from participants on Wood Badge Courses and Leader Skill Courses. In 2025/2026, 11 training course visits were conducted. Besides, evaluations of 133 training courses and 215 in-service training were also completed. Overall, feedback was positive.

Continuous Education Series

Echoing the Association’s advocacy of continuous education for leaders, Training Branch strengthens the support to leaders through the Continuous Education Series. Leaders may enrich themselves by sharpening different skills through the array of training and workshops in the Series throughout their Scout journey.

In the past year, Chairman of Training Committee, Prof Simon HO Shun-man, and Vice Chairmen of the Committee, Dr Canie CHU LO Kit-ying, Mr KWAN Kee MH, Ir WONG King and Prof Samuel YU Chung-toi, were specially invited to host a variety of workshops of the Continuous Education Series covering a broad spectrum of topics, including physical and psychological developmental characteristics of young people, communication skills, training method and design, event management and environmental health.

National Education Pilot Scheme for Hong Kong Training Team

In response to the Association’s Strategic Plan (2024-2027), a 3-year National Education Pilot Scheme was introduced for Hong Kong Training Team. The pilot scheme aims to enhance members’ understanding of the country and further deepen their appreciation of national conditions and policies. As part of this initiative, the National Education Tour 2025 was held from 29 to 30 November 2025 in Zhuhai with 27 members taking part.

Adults in Scouting Branch

Leader Recruitment

In line with the Association's strategic plan and growth objectives, Adults in Scouting Branch endeavored to recruit new Scout Leaders by various channels. While the "New Leaders Matching Scheme" continued to connect participants with Scout groups for frontline service, two recruitment drives were conducted at The Education University of Hong Kong targeting prospective teachers. The first phase of Wood Badge Training was subsequently arranged for these prospective teachers to strengthen their leadership capacity.

Training and Activities

Leadership Training Institute (LTI) continued to offer QF Level 3 learning programmes, enabling leaders and members to gain socially recognized learning outcomes alongside Association training. During the year, one "Certificate in Leadership Skills" course, one "Certificate in Adventure Education: Principles and Application" course and two "Certificate in Expedition Skills" courses were conducted. LTI also maintained strong partnerships with tertiary institutions, co-organizing the "Leadership in Practice" credit-bearing course with United College of The Chinese University of Hong Kong and supporting two students from The Education University of Hong Kong to complete 200-hour internships to enhance their leadership development.

During the year, Wong Siu Sang Leadership Training Centre offered 173 programmes for 9,780 participants, among which, "Free Admission Trial Project" was well received, attracting 4,175 participants. In addition to those training programmes organized for the "Strive and Rise Programme" and the "Jockey Club Badges: Preparing Tomorrow's Leaders" project, the Centre also assisted Home and Youth Affairs Bureau in selecting candidates for the "YDC Youth Ambassadors Programme".

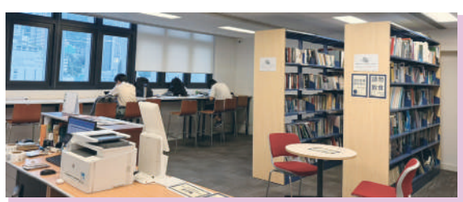

First Aid Training and Service

In the year under review, 533 members participated in various first aid courses including three First Aid Certificate Courses and six Refresher Training for the First Aid Certificate Courses recognized by Labour Department, 14 First Aid Badge Training Courses as well as eight Cardiopulmonary Resuscitation & Automated External Defibrillation Certificate Courses. In addition, the Association successfully completed a review of the Labour Department-recognized first aid courses. To better meet the needs of society, new elements were incorporated into the first aid curriculum, and an Advanced First Aid Course was introduced to further enhance the skills and knowledge of Scout members.

In the same period, our First Aid Service Team rendered service at 23 large-scale events and activities organized by different Scout units, serving approximately 22,090 people. Furthermore, the Association joined the Resuscitation Alliance established by the Hong Kong Fire Services Department in collaboration with different professional organizations, and was invited to participate in the "Save Lives x Emergency Response Ceremony cum Carnival" on 18 October 2025. The event aimed at promoting CPR and AED skills, and enhancing public awareness of first aid. Moreover, 21 instructors from the First Aid Team became Community Emergency Responder instructors, responsible for delivering cardiopulmonary resuscitation and automated external defibrillator training.

Library Services

Scout Association of Hong Kong Library remains a popular place for our members, fostering learning and social interaction. The library recorded 19,841 visits, which marked a 16% increase from the previous year. A library management system was installed to provide an even better platform for searching library collection and borrowing books.

Development Branch

Group Support

The Group Support Platform launched nine recruitment poster templates and special meeting packages for Grasshopper Scouts, Cub Scouts and Scouts covering themes such as Founder's Day, Lunar New Year, and Mid-Autumn Festival.

To enhance promotion, the platform link was featured on the Association's homepage and relevant information was posted to the Instagram account "Scout Group Meeting Helper".

Membership Expansion

Development Branch conducted nine recruitment activities over the past year. Aside from promoting Scouting at internal events, the Branch actively engaged with the community by participating in the Greater Bay Area Hong Kong Schools Expo and the Children's Book Fair cum Super Parents & Kids Expo. These platforms provided direct outreach to students and parents, offered on-site consultation and registration channels, and thereby enhanced the visibility of Scouting while supporting membership growth.

Strategic Studies

The Strategic Studies team completed a trend analysis of youth membership over the past decade, calculating attrition rates and projecting the impact of higher retention. Concurrently, the team completed statistical reviews of the market share of Scout members and other uniformed groups, the proportion of Scout groups sponsored by schools and NGOs across regions, as well as regional distributions of the potential youth population and population growth forecasts through 2030. By organizing recent data on group registrations and deactivations, the team conducted a preliminary SWOT analysis to provide a reference for future membership expansion and retention strategies.

Scout Special Response Team

The Scout Special Response Team continued to strengthen its training, with multiple small teams acquiring new equipment. To enhance members' practical operational capabilities, six comprehensive training sessions were conducted throughout the year, covering low-angle rope techniques, radio communication, chainsaw operation, as well as incident command systems and rescue case studies. Furthermore, the team demonstrated its commitment to community deployment by clearing fallen trees in the aftermath of Super Typhoon Ragasa, and by assisting in the temporary sheltering of affected residents at the Tung Tsz Scout Centre following the Wang Fuk Court fire incident.

Community Service and Activities

The "Smile Action" Project under the "Jockey Club Badges: Preparing Tomorrow's Leaders" project concluded successfully in October 2025. It cultivated around 1,500 ambassadors and mentors, and launched over 10 mental health promotion activities, reaching more than 20,000 Scout members and the public.

In 2026, Development Branch organized the "Happy Family Campaign 2025-26 – Environmental Protection and Animal Care Fun Day". Funded by the Home and Youth Affairs Bureau and the Family Council, the event promoted values of environmental protection and animal care through various activities and badge assessments, engaging over 1,000 Scout members and families. In the same year, the Branch hosted the "Intellectual Property Rights Fun Day 2026". Officiated by the Commissioner of Customs and Excise and the Director of Intellectual Property, the event featured detector dog demonstrations and themed booths, attracting over 1,300 participants.

Leveraging its community networks, the Social Service Team conducted festive visits during the Lunar New Year, Mid-Autumn Festival and Dragon Boat Festival, bringing blessings to the elderly and persons with intellectual disabilities. The team recruited 28 new members during the year, bringing the total team size to 46. Looking ahead, it plans to implement quarterly recruitment and increase its annual visits to six.

Communications and Public Affairs Branch

Continuing the Scout Mission

"To help other people" remains one of the core values of the Scout Movement. Over the past two years, Communications and Public Affairs (CPA) Branch has launched the Scout theme of the year "Mission to Serve" and has received enthusiastic support. A total of 23,652 members have put the Scout Promise into action by serving the community, thereby demonstrating the core values of Scouting.

As Hong Kong Scouting marks its 115th Anniversary, CPA Branch introduces a new theme of the year "Together We Strive, Together We Thrive" in 2026 to unite our efforts and showcase a spirit that values both the heritage of Scouting and innovation as we march together toward a better future.

Enhancing the Scout Image

A press conference was conducted on 14 November 2025 to introduce a new badge under the Active Citizenship Badge Series, "Community Emergency Responder Badge" jointly launched by the Association and the Fire Services Department. In addition, the Association was officially recognized as the first Accredited Training Institution under the Fire Services Department Community Emergency Responder Scheme (FSDCER), adding significant social value to Scout training.

On 8 January 2026, "Hong Kong Scout 115th Anniversary Press Conference" was held to announce a series of celebratory events and to share the vision for continuous development upon its centenary foundation.

Furthermore, CPA Branch produced "Scouting for Life" promotional video series, enlisting experienced media professional Mr Brian CHOW as Creative Director. The project also featured Mr Gabriel LEUNG, Executive Director (Charities and Community) of the Hong Kong Jockey Club, Scout Ambassador Mr Jarvis CHOW and other Scout members who shared their heartfelt Scouting experiences. Through these captured stories, the video series raised public awareness of the Scout spirit and strengthened value alignment.

The Scout Gallery

Refreshed in July 2025, the Special Exhibition at the Scout Gallery in Hong Kong Scout Centre featured classic District Badges alongside other precious exhibits, enabling members to explore the traditions and historical journey of Scouting. To further highlight the culture and diversity of the Movement, Scout groups with over 60 years of history were invited to exhibit and share their unique developmental journeys.

Conveying Scout Energy through Music

In February 2026, Hong Kong Scout Band delivered a powerful and inspiring performance at the "Empowering FUTURE@115 Concert Hong Kong Scout 115th Anniversary Kick-off Ceremony". In March 2026, 78 pipers and drummers participated in the "Endless Sheng, Thousand Reeds in Harmony" Marathon and Outdoor Evening Concert. Blending Chinese and Western instruments, this collaborative performance showcased the diverse musical culture of Hong Kong while highlighting Hong Kong Scout Band's active role in cross-disciplinary artistic exchange.

Scout of the Year

Since the inception of the "Scout of the Year Selection", 221 outstanding members have been recognized for their excellence in academics, careers, Scout activities and community service. Five Scout members were selected in 2024 and presented with shoulder cords by the Guest of Honour, Ms Michelle LI, Permanent Secretary for Education, at the presentation ceremony on 14 June 2025.

Scout of the Year Association (SOYA) continues to unite all awardees, empowering them to contribute to the Scout Movement and the broader community. In June 2025, SOYA collaborated with St James' Settlement to refurbish the public spaces of the Viva Blue House, putting the Scout spirit of service into practice. In November 2025, the association also hosted a Six Bricks Certified Workshop (Levels 1 & 2), which not only developed members' problem-solving skills but also strengthened teamwork and communication.

International Branch

Asia-Pacific Regional Workshop: "Safe from Harm in Action: Strengthening Safeguarding through Implementation and Assessment" (9-12 August 2025)

To strengthen the implementation and evaluate the effectiveness of safeguarding mechanisms within the Scout Movement, and to ensure that both youth and adult members participate in Scouting activities in a safe and caring environment, 50 participants from 13 National Scout Organizations (NSOs) gathered in Hong Kong to reinforce the importance of "Safe from Harm" and enhance recruitment, training, reporting and accountability systems for further implementation of the safeguarding principles. The outcomes and recommendations of the workshop served as a valuable reference for NSOs across the Asia-Pacific Region in advancing their Safe from Harm initiatives.

11th Asia-Pacific Regional Scout Youth Forum (6-9 October 2025)

Themed "Scouting: Integrated Versatility", the 11th Asia-Pacific Regional Scout Youth Forum was held at the Chientan Youth Activity Centre in Taipei, bringing together 122 youth Scout representatives from 27 countries and regions. The Association dispatched 10 youth representatives to participate in the forum. Through panel discussions, guest input sessions and workshops, they collaborated with other youth representatives from across the region to formulate 14 recommendations, which were shared at the Asia-Pacific Regional Scout Conference. Nathan POON Wai-hon, Chairman of Youth Affairs Advisory Council of the Association and Venture Scout of the 1st Hong Kong Group, was elected as Asia-Pacific Regional Youth Representative for a three-year term.

28th Asia-Pacific Regional Scout Conference (12-17 October 2025)

Scout leaders from various countries and territories across the Asia-Pacific Region gathered at the Kaohsiung Exhibition Centre in Taiwan to engage in in-depth exchanges and discussions on pivotal issues, including the development of the regional Scout Movement, youth involvement and international cooperation. Led by Chief Commissioner Dr Wilson LAI Wai-sang, our delegation comprised five other delegates and 13 observers. The conference passed several major resolutions, charting a clear direction for the future development of the region. During the conference, the Chief Commissioner was elected as member of the Asia-Pacific Regional Scout Committee (2025–2031). Furthermore, the Association won its bid to host the 29th Asia-Pacific Regional Scout Conference in 2028 while several other members were elected to various regional positions.

The 68th Jamboree on the Air cum 29th Jamboree on the Internet (JOTA-JOTI) (17-19 October 2025)

Centred on the theme "A World Shaped by Youth", JOTA-JOTI was held at Hong Kong Scout Centre, drawing the participation of 2,000 Scouts, leaders and parents. In addition to amateur radio activities and electronics workshops, online gatherings were arranged for members to connect and exchange with overseas Scouts. A colouring competition specially designed for Grasshopper Scouts and Cub Scouts received an enthusiastic response, collecting a total of 354 highly creative entries. A new stall game "Understanding Safe from Harm" was introduced to promote the importance of safeguarding youths from harm in Scout activities.

Mainland Affairs Branch

“New Quality Productive Forces” Hong Kong Youth Study Tour 2025 (13-21 July 2025)

At the invitation of CTS Group and The Hong Kong Jockey Club, the Association once again co-organized the “New Quality Productive Forces” Hong Kong Youth Study Tour. A total of 105 Scout members and leaders participated in the 9-day journey commenced in Beijing and traversed Gansu and Ningxia. During the tour, participants visited the Central Archives of the China National Archives of Publications and Culture in Beijing to appreciate the long and profound history of Chinese civilization. They also toured the Xinglong Observatory of the National Astronomical Observatories of the Chinese Academy of Sciences, the China Space Museum and the China Academy of Space Technology to understand our country’s achievements in astronomical observation, alongside the history and future development of its aerospace industry. Furthermore, participants learned about photovoltaic and photothermal power generation technologies at the Dunhuang Photovoltaic Exhibition Park, witnessing the sustainable development of new energy. At Shapotou, they gained hands-on experience with the straw checkerboard method for desertification control, reflecting on the wisdom of human coexistence with nature and gaining an in-depth understanding of our country’s developments in the field of new quality productive forces.

10,000 Miles Friendship Trek 2025 (19-27 July 2025)

The Association dispatched 23 members and leaders to join a 313-member delegation with representatives from 13 other youth uniformed groups in Hong Kong for a 9-day tour titled “Exploring History and Culture – Beijing and Shandong Journey”. The delegation visited the National Centre for the Performing Arts in Beijing, the Badaling Great Wall, the China Science and Technology Museum, the National (Qingdao) Maritime Rescue and Life Saving Training Base in Shandong and the People’s Liberation Army Naval Museum. Together with the representatives from other youth uniformed groups, they also built friendships with Mainland students through exchange activities.

Carrying the Cultural Tradition Forward Programme

Themed “Guarding the Hall of Supreme Harmony”, the 9th introductory training session for the “Carrying the Cultural Tradition Forward Programme” (CCTFP) was completed in October 2025, enriching the knowledge of 36 youth members and leaders in appreciating culture and arts as well as understanding history. Over the past three years, more than 300 Scout members and leaders have completed the introductory training and the cultural heritage instructor training programmes, with some members becoming Hong Kong Palace Museum Student Ambassadors to conduct guided tours and cultural promotion activities. To further the collaboration between the Association and Hong Kong Palace Museum (HKPM), HKPM Scout Day was held on 18 October 2025. Museum Director Dr Louis NG and Chief Commissioner Dr Wilson LAI officiated at the Launching Ceremony of the Scout Day cum New Phase Commencement Ceremony of CCTFP and signed a new Memorandum of Understanding. Both parties will continue to collaborate closely over the next three years to drive the CCTFP. Following the ceremony, 400 Scout members and leaders took part in various engaging learning activities, putting the philosophy of “learning by doing” into practice. Highlighted activities included an interactive AR photo-taking experience and an exhibition showcasing the achievements of Mainland summer exchange programmes organized by the Association.

“Responsibility to the Nation” — Scouts Remember History and Guard Peace Activity

The year 2025 marked the 80th anniversary of victory in the War of Resistance. To deepen the understanding of history, a total of 800 Scout members and leaders participated in two commemorative activities. These included the “Scouts Remember History and Guard Peace” Activity Day held in September 2025 as well as the War of Resistance Exhibitions and Peace Dove Origami Activities took place across various venues and facilities of the Association from November to December 2025. More than 15,000 peace doves were collected to promote the message of world peace.

Estate Branch

Development of Association Properties

Over the past year, the Estate Branch has continuously enhanced various facilities to improve venue functionality and user experience. One key initiative was the installation of a large LED display wall at the ground floor entrance of the Hong Kong Scout Centre. This display clearly presents Scout activity information and multimedia content, helping the public better understand and appreciate the Scout Movement.

Furthermore, after completing the previous year's function room renovations, the Branch proceeded to refurbish the remaining function rooms on the 9th and 11th floors. The rooms now feel brighter and tidier, with all existing projection equipment replaced by 100-inch high-definition displays, offering better resolution to meet the needs of various meetings, training sessions and classroom activities. In addition, the Branch upgraded the audio system in the Chamson Chau Congregation Hall and Training Centre on the 11th floor, converting the old analogue wireless microphone system to a digital format. This effectively resolved previous signal instability issues, ensuring clear and interference-free audio during events.

In addition to the above, another key project is the basement renovation, which will transform the space into a multi-functional area featuring a canteen, fitness area and activity rooms. Accordingly, construction commenced in the current year, and these facilities are expected to be fully operational in the fourth quarter of 2026.

Beyond the Hong Kong Scout Centre, the Estate Branch has also actively improved the Hong Kong Scout Centennial Building. A major project completed last year was the creation of a multi-purpose activity space on the 2nd floor. The space features a self-service vending machine offering freshly ground coffee, light meals and beverages, creating a comfortable and relaxing environment for Scout members. Besides self-service, the space can also be booked for group meals, group activities and other recreational events.

The Estate Branch will keep monitoring the operation of all facilities and plan subsequent enhancements, providing strong support for the continued development of the Scout Movement.

Capital Works for Campsites and Activity Centres

Estate Branch oversees the Association’s subsidized Capital Works Projects for campsites and activity centres. Funded projects for year 2025/2026 include the renovation of the Sha Tin East District headquarters office, the reinstatement of the damaged entrance footbridge at Mrs Lau Hon Wah Scout Training Centre, and the replacement of defective metal parts for the boat shelters at Tai Mei Tuk Sea Activity Centre.

As always, the Estate Branch continues to manage the development and enhancement of various campsites and activity centres. Currently, the renovation of the Tai Tam Scout Centre is nearing completion and will be progressively opened for use. Meanwhile, the Tai Tam Scout Sea Activity Centre has been successfully completed and will officially be commenced operation on 17 May 2026. In addition, the redevelopment project of the Choi Chee Ming Luen Kwong Scout Centre, which is funded by The Hong Kong Jockey Club Charities Trust, will commence shortly. The Branch will maintain close coordination with relevant parties and provide appropriate assistance to ensure the smooth progress of the projects.

Administration Branch & Information Technology Branch

Hong Kong Scout 115th Anniversary Raffle Campaign

Raffle Campaign is organized annually to help Scout groups, districts, regions and other units of the Association raise funds for their training and activities. This year's raffle campaign was one of the key events celebrating the 115th Anniversary of Hong Kong Scouting. Notably, BYD (H.K.) Co., Limited has sponsored an electric vehicle as the super prize for the campaign. The Raffle Draw and Award Presentation Ceremony was held on 14 March 2026 at the lobby of the B P International. A total of 101 lucky prize winners were drawn by a team of esteemed scouters, lay members and sponsors. "Best Performance Award", "Best Per Capita Performance Award" and "Best Improvement Award" were also presented to those participating groups with outstanding sales performance.

"Hong Kong Volunteer Award" 2025

The "Hong Kong Volunteer Award" is co-organized by the Home and Youth Affairs Bureau and the Agency for Volunteer Service to recognize the contributions and achievements of outstanding volunteers and organizations. At the Hong Kong Volunteer Award Presentation Ceremony held on 9 January 2026, the Association received the "Non-Commercial Organisation - Top 10 Highest Volunteer Hour Award" and the "Volunteer Hour Excellence Gold Award". We also had four Scout members being bestowed individual awards including "Individual (Youth Group) - Top 3 Highest Volunteer Hour Award", "Youth Uniformed Group Volunteer - Top 3 Highest Volunteer Hour Award" and "JC VOLUNTEER TOGETHER Rising Star Volunteer - Top 3 Highest Volunteer Hour Award".

The Hong Kong Scout Archives

The Hong Kong Scout Archives (The Archives) held its first Archival Management Talk on 17 September 2025, introduced basic archival management knowledge and connected core processes to 50 Scout members, as well as shared related mission and legacy.

The Archives will continue managing records and manuscripts of historical or permanent value properly for the Association to preserve collective memory.

Software Development

The Scout Membership Information System 2.0 (SMIS 2.0) was introduced to replace the legacy version, offering a more user-friendly interface, a flexible search engine, and improved data integration across systems. A new self-service feature allows members to review and update their personal profiles, while continuous improvements are made based on user feedback.

Development of the Scout Learning System (SLS) progressed, with emphasis on online modules and course management, and is scheduled for implementation in 2026. Additionally, the Scout Shop implemented a new Point-of-Sale (POS) system with an improved interface and streamlined operations, alongside offline payment options supporting multiple methods to enhance customer satisfaction.

To promote collaboration and awareness, two briefing sessions titled "A Journey to Enhance Operational Efficiency through IT and Collaboration" were conducted for key leaders including Commissioners of Headquarters branches, Deputy Regional Commissioners, District Commissioners and Deputy District Commissioners, introducing new SMIS features and upcoming IT initiatives.

Desktop Upgrade and Information Security

Phased replacement of aging desktop computers was initiated in response to the end of support for Windows 10 to prolong equipment usage. New email security gateway was deployed to strengthen protection against spam, phishing and malicious emails, significantly improving overall information security.

Regions

Hong Kong Island Region

In 2025/2026, Hong Kong Island Region continued to achieve steady progress through the concerted efforts of its members. Positive developments were recorded in organizational development, training and activities, laying a solid foundation for the sustainable development of the Scout Movement.

Steady Development amid Challenges

With changes in the social environment, including a declining school-age population and population mobility, the development of Scouting faced various challenges. Nevertheless, Hong Kong Island Region continued to promote the rejuvenation of both management teams and Scout members, while strengthening recruitment and membership retention. The overall membership remained stable at 9,898, reflecting the effectiveness of the Region's strategies and providing a solid foundation for the continued development of Scouting.

Leadership Training and Youth Activities

A total of 31 leadership training courses were organized during the year, attracting 628 participants, with 21 leaders successfully completing Wood Badge Training. Youth activities also achieved encouraging results. Throughout the year, 138 activities, training courses and competitions were organized with 7,466 attendees recorded. A total of 210 members obtained the Golden Bauhinia Award, 36 obtained the Chief Scout's Award, two obtained the Dragon Scout Award, four obtained the Baden-Powell Award, while two members were selected as Scouts of the Year. These achievements reflected the outstanding outcomes of the Region's training and youth programmes.

"Scouts in Community Carnival"

In response to the Association's annual theme "Mission to Serve", Hong Kong Island Region organized the "Scouts in Community Carnival" at Southorn Playground, Wan Chai on 1 February 2026 to celebrate the 115th Anniversary of Hong Kong Scouting under the theme "Rooted in Wan Chai • Connecting the Community". The event attracted over 2,000 participants. The carnival commenced with a flag-raising ceremony, demonstrating Scouts' discipline and patriotism. Highlights included joint performances by Hong Kong and Macau Scout Bands as well as ethnic minority cultural performances, showcasing diversity and inclusion. Various game booths and technology experience activities were also arranged together with the assessment of the "Active Citizenship Badge Series", combining education with enjoyment. The event strengthened community connections and promoted the spirit of Scouting.

Expansion of Community Services

During the year, Hong Kong Island Region and its affiliated units organized 100 community service projects, contributing a total of 4,015 service hours with 51,385 attendances. Over 1,300 Scout members participated in services for the "Standard Chartered Hong Kong Marathon 2026", including race pack distribution, baggage handling and crowd management, supporting around 74,000 runners and demonstrating the Scout spirit of community service and teamwork.

Environmental Education for the Future

The development project of the SCENES Centre at Tai Tam Scout Centre was successfully completed and will be opened in the second quarter of 2026, further enhancing its service capacity. On 28 September 2025, Hong Kong Island Region organized the "Tai Tam SCENES Carnival", attracting around 1,200 participants. The event featured campsite facility exhibitions and small creature displays, which were well received by participants. Activities included pioneering projects, observation challenges, ecological information booths, flight simulators, drone experiences and firefly appreciation sessions, combining technology with nature to enhance environmental awareness. This was a programme of the Hong Kong Jockey Club Charities Trust-funded "Jockey Club Badges: Preparing Tomorrow's Leaders" project, aiming to nurture youth capabilities and service spirit.

Throughout the year, Hong Kong Island Region achieved steady progress in various aspects, with notable results in training, activities and community services. Despite challenges, the Region maintained a stable membership size and continued to strengthen its overall capabilities, further consolidating the foundation and social impact of the Scout Movement.

Kowloon Region

As of 31 December 2025, Kowloon Region comprised 238 Scout Groups with a total membership of 13,826. Throughout the year, the Region organized 122 different programmes and training across land, sea and air, with 7,748 participants, reflecting a continued upward trend. 320 youth members were honoured for attaining their respective sectional highest awards. For the Hong Kong Award for Young People, one Gold Awardee, one Silver Awardee and three Bronze Awardees were recorded. Besides, two youth members were selected as "Scout of the Year" and a total of 32 leaders successfully completed Wood Badge training.

Sea and Air Activities Promotion

In alignment with the "Policy on the Development of Sea Scout / Air Scout and Sea Activities / Air Activities" of the Association, themed activity booths were showcased during the Kowloon Region Rally in October 2025 to raise public awareness of Sea Scout and Air Scout training and programmes. To further inspire interest in aviation and encourage long-term participation in air activities, "Paper Plane Competition" was held in early 2026.

Keeping Pace with the Times

Responding to increasing focus on mental health, young pop icon Ms Joey THYE was invited to share her well-being journey at the "Scout Mental Health Sharing Session". To ignite enthusiasm for science and technology among Cub Scouts and Scouts, "VEX IQ Workshop & Competition", "VEX GO Robotic Competition" and "Scout STEM Day" were held in succession, inspiring youth to explore and embrace STEM (Science, Technology, Engineering and Mathematics).

Cultural Exchange

In the summer of 2025, the 9-day "Backpack Scouting SDGs @ Mongolia" exchange trip was organized under the HYAB Funding Scheme for International Youth Exchange, offering participants a holistic exploration of Mongolia's natural environment and social development. In the winter of the same year, supported by the HYAB Funding Scheme for Youth Exchange in the Mainland, the 6-day "Ice and Snow in Silk Road" study tour took participants into the icy world of Northeast China, deepening their understanding of the country's history and development. To foster a global perspective alongside national cultural identity, "Cultural Discovery Programme" was organized with sponsorship from the Community Participation Scheme, engaging Scout members with intangible cultural heritage through immersive, hands-on activities.

Gilwell Campsite

In June 2025, "Gilwell Extracurricular Activity Experience Day" was organized to showcase the campsite's educational potential to school principals, extracurricular activity coordinators and teachers, while promoting the Scouting in Hong Kong. The Region will continue to enhance the campsite facilities to increase its attractiveness.

East Kowloon Region

Golden Jubilee

East Kowloon Region was established in 1976. The year 2026 marks its 50th Anniversary – the Golden Jubilee. To bring members together in celebration of the Golden Jubilee, the Region has planned a series of celebration activities, spanning from the second half of 2025 to early 2027. Coinciding with the Association's celebration of the Hong Kong Scout 115th Anniversary in 2026, three of the EKR50 celebration events are recognised as the celebration activities of Hong Kong Scout 115th Anniversary. These include the "Scoutastic Fun Camp" in April, the "City Quest" in June and the "SLASH Fest" in November 2026. The celebration activities receive generous support from the Region's lay members, who enthusiastically give generous donations. In recognition of the substantial contributions, a number of lay members are awarded the Hong Kong Scout 115th Anniversary Special Contribution Medallion by the Association.

Promotion and Development

The Region and its Districts attached great importance to the Association's Strategic Plan (2024-2027). To drive the work forward, the Region established the Promotion and Development Task Force in December 2025. Through effective use of regional resources and networks, the Task Force assisted in planning and driving initiatives that support the promotion and expansion of the Scout Movement, while formulating and implementing strategies to facilitate the advancement of members across sections. The Region also leveraged the school connections of its lay members to promote Scouting to school districts, tertiary institutions and partner organizations. Our goal was to foster a renewed understanding of Scouting and demonstrate how Scout training, activities and quality facilities can complement school development and activities, while meeting the learning and developmental needs of young people.

Commendation

The Regional Annual Awards Ceremony was held on 25 January 2026 to recognise the achievements of youth members and units over the past year. A total of 169 youth members were honoured for attaining the highest award of the respective sections. Under the Scout Group Award Scheme, 159 Scout Groups received commendation, including the "Distinguished Group Award", the "Best Development Scout Group Award" and the "Outstanding Scout Group Award". In addition, 38 sponsoring authorities demonstrating long-standing support to the Scout Movement were recognised for their sustained commitment. In terms of competitions, various units of the Region achieved impressive results, winning awards in dragon boat races and other maritime events. Their outstanding performance was worthy of commendation. In January 2026, the Region launched "Outstanding Leaders Commendation Scheme" for the first time. The frontline leaders being recognised by the Scheme would be awarded the "Regional Commissioner's Commendation Certificate" as a token of encouragement.

Sea Activity Centre

Owing to the highway improvement works on Hiram's Highway, the Lands Department resumed the grassland and barbeque site of Pak Sha Wan Tam Wah Ching Sea Activity Centre in January 2025. Following the discussions with the Department, part of the grassland and barbeque site was made available for use again under a short-term tenancy since December of the same year. As a result, the Centre's utilisation rate increased compared to the previous year, with a total attendance reaching 20,908 user-visits.

The Centre all along placed great emphasis on the development of sea activities and expanded its fleet with additional types of boats in recent years. More than two decades ago, Mr LI Fung-lok, Honorary President of the Association, donated three Scout standard boats, namely "Hey Pronto", "Classic Master" and "Winnie Belle", which shaped the way for sea activities and training. During the year, the Centre completed the repair and refurbishment of the "Hey Pronto". To mark its return to service, the Region held the Recommissioning and Launching Ceremony of "The Speedy" on 8 March 2026, and was honoured to have Honorary President Mr LI to officiate at the ceremony and witness the relaunch, marking a new milestone in the Centre's sea activities.

On the other hand, the Centre actively planned various activities related to sustainable development and inclusion through The Jockey Club Scout "S.I.N.G." Programme, which have attracted over 22,000 participants since early 2024. The Region continued its collaboration with the Agriculture, Fisheries and Conservation Department (AFCD) for trail maintenance programmes. A total of 15 different activities related to trail conservation were held, including the clearing of drainage channels and the restoration of unofficial shortcuts in country parks, GeoMaster sustainable hiking trails service project, mountain and coastal clean-up services, trail maintenance workshop and public seminars, etc. These initiatives together engaged over 370 Scout members and members of the public.

Furthermore, the Region held two rounds of "Meet under the Sun - A day in PSW Sea Activity Centre" under the project of "Jockey Club Badges: Preparing Tomorrow's Leaders" at the Centre in April and September 2025, with a total of 297 participants (including 293 non-Scout participants). This scheme facilitated more young people to experience the Scouting activities and encouraged them to join Scouting. Recently, the Centre strengthened the external promotion by organizing some adventure camps of different themes, aiming to attract schools and other organizations to make use of the Centre to organize such activities.

Looking Forward

Building on our achievements and forging ahead into the future, the Region will continue to unite its effort and stand shoulder to shoulder with our youth members, leaders and lay members. While celebrating the 50th Anniversary of the Region and the Hong Kong Scout 115th Anniversary, we aim to enhance members' enjoyment and engagement in Scout activities, and at the same time attract more members of the public to join Scouting.

New Territories Region

Actively Expanding Membership

In response to the Association's strategic plan, the New Territories Region actively reached out to various partners and successfully established or re-established 11 Scout Groups. From July to October 2025, the Region once again organized the "Scout Leader Recruitment Plan Series Activities (Project Leader 2.0)". Through close collaboration between districts' staff and schools as well as institutional Scout Groups in the districts, potential adults were identified and recommended. Participants were able to quickly master foundational knowledge, skills and attitudes, ultimately becoming Scout leaders and committing to service. After completing the "Fundamentals of Scouting Course" and the "Group Meeting Experience Day", participants returned to their recommending units to begin service as leaders or instructors. District staff were deployed by each district to provide follow-up support. In addition, the New Territories Region organized the "Explore Nature – New Territories Scout Summer Camp 2025" on 5-6 July 2025. The camp aimed to let young people who had not yet joined Scouting personally experience the excitement and vitality of Scout activities. The summer camp attracted more than 130 students from 10 primary and secondary schools.

Hong Kong Scout 115th Anniversary Celebration Activities

The "Hong Kong Scouts 115th Anniversary Lui Chun Kit Cub Scout Camp Fire – Scout Walk in the Forest" was successfully held on 14 March 2026 at the Tsing Yi Youth Development and National Education Base with a total of 501 people participated (including Cub Scouts, leaders, parents and staff). The event featured 17 stalls covering topics such as national security awareness, anti-fraud information, anti-drug education and environmental protection. The Camp Fire was set against a forest story background and incorporated elements of popular culture.

Furthermore, the New Territories Region will hold the "Active Citizens" Fun Day cum Drill and Flag Raising Competition in September and December 2026 respectively, along with the New Territories Region Jamboree, to celebrate the glorious 115th anniversary of Hong Kong Scouting.

Scout Service – Continuous Community Service

The "Scout Service – Continuous Community Service Plan" is a three-year large-scale service project launched by the New Territories Region in 2023 to mark its 65th anniversary. The project successfully completed its mission in 2026. Under this initiative, the Region's 11 districts and the regional headquarters collaborated with various charitable organizations across the districts to organize a wide range of activities and services. The target beneficiaries included elders, low-income families and people with mobility difficulties.

Over the three years, the units collectively had more than 1,200 Scout members and leaders participating in a total of 84 service activities, accumulating over 4,000 service hours and benefiting more than 6,700 people.

Tung Tsz 50 • Scouts Connecting and Marching

The "Tung Tsz 50 • Scouts Connecting and Marching" event was held on 1 February 2026 at the Tung Tsz Scout Centre. Jointly organized by the New Territories Region and the New Territories East Region, the event marked the 50th anniversary of the Tung Tsz Scout Centre. Participants took this opportunity to learn more about the Centre and related Scouting activities, while showcasing the diversity of the Scout Movement. The event attracted 750 participants including youth members, leaders and parents.

New Territories East Region

The year 2025 marked the 25th Anniversary of the New Territories East Region (NTER). The Region organized a series of exciting activities, including “NTER Trailwalker: Pursuing Dreams Together”, “Scouting Together: Christmas in Malaysia and Singapore” and the "Playground for All: Community Service Programme". These activities received enthusiastic participation from Scout members and individuals across various sectors, enabling the entire Region to celebrate this meaningful milestone together.

Membership Expansion and Retention

In line with the strategic plan of the Association, the Region has devised multiple initiates to promote the development of Scouting in all round. The Region continuously implemented retention programmes of “Alliance S” and “V START” which strengthened the connection among members in Cub Scout and Scout Sections. These programmes not only helped youth members understand the training syllabus of the Scout and Venture Scout Sections, but also facilitated their transfer to corresponding Scout groups, as to extending their joyful Scout life to the next level. In addition, the Region formed a support team to assist in Scout groups’ operations and conducted Wood Badge training courses for various organizations aimed at recruiting new leaders. The Region and Districts actively approached various organizations under the Association’s Strategic Partnership Programme to enhance Scouting development. In the year, 9 newly-opened or re-activated groups were recorded which demonstrated the gradual success of the Region’s efforts in membership expansion. As at 31 December 2025, NTER had 218 Scout groups with a total membership of 8,332. The Region will continue to strive for even better expansion results in the coming year.

Celebration Activities for 25th Anniversary of NTER

“NTER Trailwalker: Pursuing Dreams Together” was one of the celebration activities for the 25th Anniversary of the Region. Having been held again after a lapse of many years, the event drew an enthusiastic response and active participation from youth members. The activity not only encouraged Scout members to challenge their physical fitness and endurance, but also demonstrated the spirit of teamwork. The Region will continue to organize this event in future. Furthermore, the Region has always been committed to serving the society. The “Playground for All: Community Service Programme”, implemented from October 2025 to March 2026, effectively promoted the concept of inclusion. The programme enabled Scout members to learn how to interact with individuals with special needs, foster empathy and build mutual trust while helping participants showcase their unique talents. The programme also aimed to care for the mental well-being of carers by hosting various workshops to help them relieve stress.

Promoting Youth Participation

The Region has always advocated youth participation. The “NTER Youth Roundtable”, established earlier this year, comprises more than a dozen youth members aged 15 and above. It provides input on Regional activities and projects, and actively participates in the planning and organization of Regional events. “Scouting Together: Christmas in Malaysia and Singapore” held in Penang, Malaysia and Singapore in December 2025, was a youth-led initiative. Youth members took full responsibility for the project, from brainstorming the itinerary and raising funds to resolving challenges along the way. Through the principle of “Learning by Doing”, youth members gained valuable practical experience, developed their leadership skills, and grew into responsible leaders. They will continue to carry forward and share the spirit of Scouting with others.

Future Development Direction

Looking ahead to the coming year, NTER will continue to align its effort with the Association’s strategic direction, focusing on member retention and membership growth as its key priorities. The Region will actively strengthen connections with various organizations to discuss the possibility of establishing Scout groups and expanding sections. Moreover, the Region will further reinforce its community ties and foster a culture of care and inclusion to make a positive contribution to society.

Headquarters Subsidiaries

The Friends of Scouting

The mission of The friends of Scouting is “Creating favourable circumstances for young people to develop themselves and make contribution to the community”. The FOS is committed to supporting the development of the Association by providing diversified services for non-uniform youth and actively promoting the Scout Movement.

FOS delivers dedicated services to young people and their families in the community through its two Children & Youth Services Centres in Kai Yip and Long Ping. The Centres, together with the School Social Work Service Unit, provide school-based stationing services to students across 17 partner schools. In addition, the Education Centre offers academic courses and interest classes as well as continuing education courses to the community. Moreover, FOS is the sponsor for nine Scout groups. By maintaining connections and cooperating with organizations from other sectors, the FOS expands services and benefits even more young people.

Concern the Mental Health of Youth

“Friendly Community — SOUL Keeper Scheme” is one of the key programmes of FOS. Through the “SOUL Keeper VR Game” (VR virtual reality), “SeeU·SOUL AR Application” (AR augmented reality) and interactive mental health booklets, the stakeholders are trained to recognise the emotional needs or potential crises of youth at an early stage, enabling timely intervention and support while creating a caring atmosphere and environment. The programme was awarded the “Champions for Good Awards – Excellence in Children and Youth Service Award” by The Hong Kong Council of Social Service in 2025.

In addition, the School Social Work Service Unit continues to promote mental health messages within schools, encouraging students to care for one another.

Integrated Service for Children & youth

With the funding of “Know the Future – Youth Life Planning” by HYAB JC Scheme for Youth Life Planning (2025-2028), the FOS’s career planning service programme provides support services to 36 secondary schools. It helps young people broaden their horizons, understand themselves and plan for the future. During the year, nearly 200 secondary school students participated in local workplace experience programme. The FOS also co-organized Greater Bay Area workplace experience and visit activities with the government bodies and enterprises of Longgang District, Shenzhen. These activities helped young people in Hong Kong, and at the same time, grasped opportunites for future education and employment in the Mainland.

For students with special educational needs, “Leaping Kids — ADHD Students Support Scheme” was launched to support children with ADHD and autistic and their parents. The FOS also introduced “GOAL Kit” to support home-based training, and co-organized related workshops with Training Branch to train frontline leaders with practical support skills.

School Social Work Service

The School Social Work Service Unit provides stationing service for 10 secondary schools, covering case counselling, group development, parent education and community service. During the year, the unit organized 377 programmes/ groups engaging 33,831 student participants and handled 1,145 cases.

Comprehensive Education Service

The Education Centre offered a total of 263 courses, including 149 subvented courses comprising 31 courses of Adult Education and 114 courses funded by Employees Retraining Board (ERB). Non-subvented courses were mainly organized for children and young people, with a total of 3,698 course enrollments. The centre received the “ERB Outstanding Course Management Award” in the “ERB Annual Award Presentation Ceremony 2025-2026”, recognizing the quality training programmes and the effectiveness of its services.

The Baden-Powell Scout Club of Hong Kong

Highlights of Our Activities

Over the past year, the Baden-Powell Scout Club (BP Club) hosted a series of exciting events with diverse content and strong participation.

- “Members’ Quarterly Tea Get-Together” was introduced to celebrate birthday to our members to strengthen bonding and connections among members.
- Thematic Talks: Topics covered a wide range of areas including mediation, personal finance and health, helping members gain practical knowledge through meaningful exchanges.
- Workshops: Among those well-received workshops, leather-craft making and daffodil cultivation were especially popular, and participants gained valuable takeaways.
- Reviving the Promise of Ten Years: After a decade, BP Club once again formed a contingent to visit Malaysia and arranged exchange activities with local Scout units to continue our long-lasting Scout friendship, so bonds of friendship can go beyond distance and reach far.
- Diverse Activities of Sub-Clubs: Sub-Clubs planned various activities at the clubhouse, including ecological outings, darts experiences, and historical guided tours of Scout groups — rich in variety.
- “Members’ Fun Day 2026”: The club activities reached a new peak. Through collaboration with sub-clubs for borrowed venues, the event attracted more than 200 members. For the first time, we also introduced sub-clubs team-based competition allowing participants to enjoy the day and leave with great satisfaction.
- Renovation and Improvement of Clubhouse Facilities: The project was completed to provide members with a more comfortable environment for exchange and meetings, and create an even better learning space for various interest classes.

Community Service

Guided by the spirit of Scouting, the BP Club Service Team continued to complete tasks with high quality, contributing to the community and bringing warmth to people’s hearts. In the past year, the total service hours delivered by our Service Team exceeded 2,650 hours. Highlights included:

- Co-hosting performances and distributing gift bags with an erhu class, benefiting over 80 elderly residents;
- Supporting the Association’s “Empowering FUTURE@115 Concert Hong Kong Scout 115th Anniversary Kick-off Ceremony” — mobilized more than 30 people and served a total of 292 hours;
- Actively responding to the Association’s call for “Tung Tsz Emergency Accommodation Support Service” related to the Wang Fuk Court incident: using a 24-hour rotational staffing schedule to provide continuous service for 18 days, mobilized 111 people and completed over 900 hours of uninterrupted service. Sub-Club members were invited to join the team for the first time, demonstrating unity and the spirit of passing on values.

Membership Affairs

- The development momentum of the Sub-clubs remains strong. Membership numbers continue to rise steadily, heading towards 2,500 members.
- With the invitation of the Hong Kong Police Force to be appointed as “SafeCity Ambassadors” again, the Club also promoted anti-crime messages through our members’ communications. Meanwhile, dedicated display screens have been installed in lift lobby for sharing of anti-crime information, helping more people access and understand the messages more conveniently, ensuring city safety from all angles.
- Our newly launched The Baden-Powell Scout Club of Hong Kong WhatsApp channel publishes updates on club affairs and member-exclusive privileges in a way that keeps pace with the times. The follower count has already exceeded 300.

BP Club will move forward alongside the Scout Movement, actively leveraging new technologies to make club operations even more comprehensive. Innovation and efficiency enhancement are the principles of the club. They are also key reasons why membership numbers continue to grow.

The Scout Shop of Hong Kong

Over the past year, the Scout Shop of Hong Kong continued to serve Scout members by offering a range of uniforms, outdoor gear, books and souvenirs. Following the closure of the Wanchai branch in mid-2025, resources have been consolidated into the Jordan physical store and the online shopping platform (www.hkscoutshop.org.hk), enabling a more focused and efficient service approach. During the year, efforts were also made to expand the product range and progressively enhanced the quality of uniforms and badges, in order to better support members' needs across different activities and occasions.

Visual Identity Facelift

In support of its long-term development, workshops were organized in August and October 2025. Led by Prof Brian LEE, Associate Professor and Assistant Dean (Resources and Infrastructure) of the School of Design at The Hong Kong Polytechnic University, more than 28 representatives from various Headquarters branches and Scout units participated in the co-creation process to share diverse perspectives and explore directions for the visual identity facelift.

Insights from the workshops and follow-up survey indicated a clear direction by focusing on developing a more youthful and contemporary design, achieving an appropriate balance between heritage and innovation, and further integrating Scout elements with local cultural characteristics and landmark references. The visual identity facelift is currently in progress and is expected to be launched in mid-2026.

Promotional Activities

During the year, the Scout Shop collaborated with a few suppliers to promote a range of products, including backpacks, camping equipment, and outdoor accessories, to support members' participation in various outdoor activities. In early 2026, the shop window display was refreshed to feature souvenirs from the past event "WE@FUTURE Jamboree", alongside a curated selection of outdoor products. The Jamboree panda plush toy was well received and became one of the most popular items of the year.

In addition, a Chinese New Year promotional campaign themed "Year of the Horse Special" was launched around the festive period. The campaign was well received and helped strengthen engagement and connection with members.

Collaborative Product Development

During the year, the Scout Shop partnered with local brick brand "City Story" to develop collaborative products by incorporating Scout elements into its existing Hong Kong-themed building series. The initial phase included "Scout Path HK Building Block", "Rickshaw Scout Journey" and a Scout mini-figure, integrating the Scout identity into familiar local cultural scenes. This collaboration has broadened the range of Scout-themed products and offered members options that could carry both play and collectible value.

Operations & System Enhancement

An update of retail system was completed over the past year, enabling a wider range of payment options, including additional credit and debit card types, digital wallets and other electronic payment methods. This enhancement has improved the convenience and smoothness of the checkout process, contributing to a more seamless shopping experience for members. At the same time, the upgrade has laid a solid foundation for the future integration of the online shopping platform and physical store operations.

Looking Ahead

In the coming year, we will continue to enhance uniform and badge offerings, while officially launching the new logo and tagline. In addition, a new online shopping platform will be launched in the second half of 2026, with features to be introduced progressively to further enhance the overall experience for members.

Commissioners' Club

Unit Review

Over the past year, the Commissioners' Club upheld its goal of offering a high-quality platform for camaraderie and interaction, focusing on strengthening member communication and relationships. The club's operations ran smoothly, with stable member growth and successful completion of various activities. The club effectively fulfilled its responsibilities as outlined in the constitution and continued to improve member services through internal management optimization.

Work and Activities of the Past Year

- Joyful Drink Night
  Held every Friday evening at the open-air terrace of "Brownsea Garden", providing a relaxed environment for members to connect and strengthening relationships among them.

- Commissioners' Club Chinese New Year Spring Gathering & Member Gala Dinner (13 March 2026)
  A total of 252 members and their guests attended, with Dr Wilson LAI, Chief Commissioner, presiding over the event. The evening was lively and joyful, receiving unanimous praise from attendees.

- Club Newsletter
  Four issues of the newsletter were published in the year under review, covering the latest updates about the Commissioners' Club, new dishes and promotions at the Cantonese restaurant "Yue Cuisine", and various member information.

- Extra General Meeting (17 December 2025)
  The meeting was successfully held, mainly to amend the constitution to align with the Executive Committee's appointment procedures. Constitution was revised to improve the club's governance structure and operational rules.

The Way Forward

In the coming year, the Commissioners' Club will focus on the following initiatives:

- Enhancing Member Experience
  Continuously improve catering services and event venue arrangements, and explore the introduction of a wider range of social activities.

- Promoting Club Facilities
  Make full use of outdoor spaces like "Brownsea Garden" to host themed gatherings or small events, encouraging more members to utilize club amenities and services.

- Strengthening External Collaborations
  Partner with other units of the Association and external organizations to explore joint activities and service programmes, further elevating the club's role and influence.

B P International

Operation

In 2025, Hong Kong's tourism sector experienced significant growth. The Hong Kong Tourism Board (HKTB) announced that the full-year visitor arrivals for 2025 reached 49.9 million, representing a 12% year-on-year increase. Visitor arrivals in December 2025 recorded 4.65 million, making a 9% increase compared to the same period in 2024.

In April 2025, Butterfly Hospitality Group was appointed as the new Management Company overseeing the next phase of B P International (BPI). Over the year, this saw a significant growth in profit, driven by an increase in room revenue and cost saving initiatives as well as implementing new standard operating procedures.

Facility Enhancement

In early 2025, BPI embarked on a new phase of renovation, converting the existing basement into a new Scout canteen and recreational facilities, with completion scheduled for August 2026.

For dining, Cafe by the Park introduced new themed buffets, while Flamingo Lounge added a new healthy light menu to offer more varieties to suit all guests. For events and meetings, the Gordon Wu Hall continued to be a popular venue for large-scale events, including a highlight in January 2026 – the closing ceremony of the "Jockey Club Badges: Preparing Tomorrow's Leaders" project jointly organized by the Scout Association of Hong Kong and other youth uniformed groups.

Commitment to Excellence

BPI's dedication to superior service was widely recognized in 2025 with the receipts of several industry honors, including the Trip.com Group "Top Production Hotel" award, the Meituan Hotel "Outstanding Partner Award" and the Rakuten Travel Silver Award.

Community Services

BPI demonstrates dedication to environmental stewardship by joining the annual "Earth Hour" event in March and implementing energy-saving practices from June to September in line with Hong Kong's "Energy Saving Charter". Additionally, in collaboration with The Friends of Scouting, BPI nurtures young talent through tailored programmes like tours, internships and mentorships, providing valuable industry insights and practical experience to facilitate career advancement.

Looking Ahead

BPI is committed to enhancing the guest experience and upgrading its facilities, with the new executive lounge, Fleur de Lis Lounge, to be introduced on the 25th floor. BPI will also continue to implement its 'LESS' water-saving programme, and has expanded its Halal breakfast corner to better serve diverse global guests.

Independent auditor's report
To the Council of Scout Association of Hong Kong
(Incorporated under the Scout Association of Hong Kong Ordinance)

Opinion

We have audited the consolidated financial statements of Scout Association of Hong Kong (the "Association") and its subsidiary (the "Group") set out on pages 4 to 57, which comprise the consolidated statement of financial position as at 31 March 2026, and the consolidated statement of income and expenditure, the consolidated statement of comprehensive income, the consolidated statement of changes in funds and reserves and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the consolidated financial statements give a true and fair view of the financial position of the Group as at 31 March 2026, and of its financial performance and its cash flows for the year then ended in accordance with HKFRS Accounting Standards as issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

Basis for opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued as the HKICPA. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the HKICPA's *Code of Ethics for Professional Accountants* (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the consolidated financial statements and auditor's report thereon

The Executive Committee members are responsible for the other information. The other information comprises the information included in the annual report, other than the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Executive Committee members for the consolidated financial statements

The Executive Committee members are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRS Accounting Standards as issued by the HKICPA, and for such internal control as the Executive Committee members determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Executive Committee members are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee members either intend to liquidate the Group or to cease operations or have no realistic alternative but to do so.

Independent auditor's report (continued)
To the Council of Scout Association of Hong Kong
(Incorporated under the Scout Association of Hong Kong Ordinance)

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee members.
- Conclude on the appropriateness of the Executive Committee members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the consolidated financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

Independent auditor's report (continued)
To the Council of Scout Association of Hong Kong
(Incorporated under the Scout Association of Hong Kong Ordinance)

Auditor's responsibilities for the audit of the consolidated financial statements (continued)
We communicate with the Executive Committee members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with the Executive Committee, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Cheung Fuk Yuet (practising certificate number: P08224).

SCOUT ASSOCIATION OF HONG KONG

NOTES TO FINANCIAL STATEMENTS

31 March 2026

1. GENERAL INFORMATION

(a) Organisation and activities

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under the Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and promoting the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

(b) Operations included in the consolidated financial statements

The consolidated financial statements include the operations of the following:
(i) Headquarters of Scout Association of Hong Kong ("Scout Headquarters");
(ii) The Hong Kong Scout Foundation (the "Foundation");
(iii) The Scout Shop of Hong Kong (the "Scout Shop");
(iv) B P International House ("Hostel");
(v) Baden-Powell International Limited ("BPIL")
(vi) Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region, including New Territories Region Development Fund Commission and New Territories Campsites & Sea Activities Centre Development Fund (collectively known as the "Regions"); and
(vii) Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tsz Scout Centre, Shatin Scout Centre, Tai Mei Tuk Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre (collectively known as the "Campsites").

Their principal activities are as follows:

Scout Headquarters, the Regions and the Campsites:
- furthering and promoting the Scout Movement in the HKSAR.

The Foundation:
- managing any funds assigned by the Executive Committee of the Group;
- receiving any donations for the Foundation; and
- managing the surplus generated from the investment of the funds.

The Scout Shop:
- selling of Scout uniforms and other accessories.

Hostel and BPIL:
- operating a hostel, restaurant, event hall and vehicle park ("Hostel operation").

The Hostel business was operated by B P International House until 31 March 2025, and since then it has been operated by Baden-Powell International Limited.

1. GENERAL INFORMATION (continued)

(c) Information about the subsidiary

Particulars of the Group's principal subsidiary is as follows:

Name	Place of incorporation/ registration and business	Issued ordinary/ registered share capital	Percentage of equity attributable to the Association Direct	Indirect	Principal activities
Baden-Powell International Limited	Hong Kong	HK$10,000	100	-	Hostel operation

2.1 STATEMENT OF COMPLIANCE

These consolidated financial statements have been prepared in accordance with HKFRS Accounting Standards (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations) as issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA").

2.2 BASIS OF PREPARATION

These consolidated financial statements have been prepared under the historical cost convention, except for financial assets at fair value through other comprehensive income and financial assets at fair value through profit or loss, which have been measured at fair value. These consolidated financial statements are presented in Hong Kong dollars ("HK$") and all values are rounded to the nearest thousand except when otherwise indicated.

Basis of consolidation
The consolidated financial statements include the financial statements of the Association and its subsidiary (collectively referred to as the "Group") for the year ended 31 March 2026. A subsidiary is an entity (including a structured entity), directly or indirectly, controlled by the Association. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee (i.e., existing rights that give the Group the current ability to direct the relevant activities of the investee).

Generally, there is a presumption that a majority of voting rights results in control. When the Association has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:
(a) the contractual arrangement with the other vote holders of the investee;
(b) rights arising from other contractual arrangements; and
(c) the Group's voting rights and potential voting rights.

The financial statements of the subsidiary is prepared for the same reporting period as the Association, using consistent accounting policies. The results of subsidiary is consolidated from the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

NOTES TO FINANCIAL STATEMENTS (continued)

31 March 2026

2.2 BASIS OF PREPARATION (continued)

Basis of consolidation (continued)
Profit or loss and each component of other comprehensive income are attributed to the owners of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control described above. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, any non-controlling interest and the exchange fluctuation reserve; and recognises the fair value of any investment retained and any resulting surplus or deficit in profit or loss. The Group's share of components previously recognised in other comprehensive income is reclassified to profit or loss or retained profits, as appropriate, on the same basis as would be required if the Group had directly disposed of the related assets or liabilities.

2.3 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The Group has not adopted amendments to HKAS 21 *Lack of Exchangeability*, which is not applicable to the Group in the current year's financial statements. The Group has not early adopted any other standard or amendment that has been issued but is not yet effective.

2.4 ISSUED BUT NOT YET EFFECTIVE HKFRS ACCOUNTING STANDARDS

The Group has not early applied any of the amended HKFRS Accounting Standards that have been issued but are not yet effective for the accounting year ended 31 March 2026 in these consolidated financial statements. Among these HKFRS Accounting Standards, the following are expected to be relevant to the Group's consolidated financial statements upon becoming effective:

HKFRS 18	*Presentation and Disclosure in Financial Statements*[2]
HKFRS 19 and its amendments	*Subsidiaries without Public Accountability: Disclosures*[2]
Amendments to HKFRS 9 and HKFRS 7	*Amendments to the Classification and Measurement of Financial Instruments*[1]
Amendments to HKFRS 10 and HKAS 28	*Sale or Contribution of Assets between an Investor and its Associate or Joint Venture*[3]
Annual Improvements to HKFRS Accounting Standards – Volume 11	Amendments to HKFRS 1, HKFRS 7, HKFRS 9, HKFRS 10 and HKAS 7[1]

[1] Effective for annual periods beginning on or after 1 January 2026
[2] Effective for annual/reporting periods beginning on or after 1 January 2027
[3] No mandatory effective date yet determined but available for adoption

2.4 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS (Continued)

Amendments to HKFRS 9 and HKFRS 7 *Amendments to the Classification and Measurement of Financial Instruments* clarify the date on which a financial asset or financial liability is derecognised and introduce an accounting policy option to derecognise a financial liability that is settled through an electronic payment system before the settlement date if specified criteria are met. The amendments clarify how to assess the contractual cash flow characteristics of financial assets with environmental, social and governance and other similar contingent features. Moreover, the amendments clarify the requirements for classifying financial assets with non-recourse features and contractually linked instruments. The amendments also include additional disclosures for investments in equity instruments designated at fair value through other comprehensive income and financial instruments with contingent features. The amendments shall be applied retrospectively with an adjustment to opening retained profits (or other component of equity) at the initial application date. Prior periods are not required to be restated and can only be restated without the use of hindsight. Earlier application of either all the amendments at the same time or only the amendments related to the classification of financial assets is permitted. The amendments are not expected to have any significant impact on the Group's consolidated financial statements.

Amendments to HKFRS 10 and HKAS 28 address an inconsistency between the requirements in HKFRS 10 and in HKAS 28 in dealing with the sale or contribution of assets between an investor and its associate or joint venture. The amendments require a full recognition of a gain or loss resulting from a downstream transaction when the sale or contribution of assets constitutes a business. For a transaction involving assets that do not constitute a business, a gain or loss resulting from the transaction is recognised in the investor's profit or loss only to the extent of the unrelated investor's interest in that associate or joint venture. The amendments are to be applied prospectively. The previous mandatory effective date of amendments to HKFRS 10 and HKAS 28 was removed by the HKICPA. However, the amendments are available for adoption now.

2.4 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS (Continued)

Annual Improvements to HKFRS Accounting Standards – Volume 11 set out amendments to HKFRS 1, HKFRS 7 (and the accompanying *Guidance on implementing HKFRS 7*), HKFRS 9, HKFRS 10 and HKAS 7. Details of the amendments that are expected to be applicable to the Group are as follows:

- HKFRS 7 *Financial Instruments: Disclosures*: The amendments have updated certain wording in paragraph B38 of HKFRS 7 and paragraphs IG1, IG14 and IG20B of the *Guidance on implementing HKFRS 7* for the purpose of simplification or achieving consistency with other paragraphs in the standard and/or with the concepts and terminology used in other standards. In addition, the amendments clarify that the *Guidance on implementing HKFRS 7* does not necessarily illustrate all the requirements in the referenced paragraphs of HKFRS 7 nor does it create additional requirements. Earlier application is permitted. The amendments are not expected to have any significant impact on the Group's consolidated financial statements.

- HKFRS 9 *Financial Instruments*: The amendments clarify that when a lessee has determined that a lease liability has been extinguished in accordance with HKFRS 9, the lessee is required to apply paragraph 3.3.3 of HKFRS 9 and recognise any resulting gain or loss in profit or loss. However, the amendments do not address how a lessee distinguishes between a lease modification as defined in HKFRS 16 and an extinguishment of a lease liability in accordance with HKFRS 9. In addition, the amendments have updated certain wording in paragraph 5.1.3 of HKFRS 9 and Appendix A of HKFRS 9 to remove potential confusion. Earlier application is permitted. The amendments are not expected to have any significant impact on the Group's consolidated financial statements.

- HKAS 7 *Statement of Cash Flows*: The amendments replace the term "cost method" with "at cost" in paragraph 37 of HKAS 7 following the prior deletion of the definition of "cost method". Earlier application is permitted. The amendments are not expected to have any impact on the Group's consolidated financial statements.

2.5 MATERIAL ACCOUNTING POLICIES

Business combinations
Business combinations are accounted for using the acquisition method. The consideration transferred is measured at the acquisition date fair value which is the sum of the acquisition date fair values of assets transferred by the Group, liabilities assumed by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. All other components of non-controlling interests are measured at fair value. Acquisition-related costs are expensed as incurred.

Fair value measurement
The Group measures its financial assets at fair value through profit or loss, equity investments designated at fair value through other comprehensive income at the end of each reporting period. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – based on quoted prices (unadjusted) in active markets for identical assets or liabilities
Level 2 – based on valuation techniques for which the lowest level input that is significant to the fair value measurement is observable, either directly or indirectly
Level 3 – based on valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Related parties
A party is considered to be related to the Group if:

(a) the party is a person or close member of that person's family and that person
  (i) has control or joint control over the Group;
  (ii) has significant influence over the Group; or
  (iii) is a member of the key management personnel of the Group;
or

(b) the party is an entity where any of the following conditions applies:
  (i) the entity and the Group are members of the same group or organisation;
  (ii) one entity is an associate or joint venture of the other entity (or of a parent, subsidiary or fellow subsidiary of the other entity);
  (iii) the entity and the Group are joint ventures of the same third party;
  (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
  (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group or an entity related to the Group;
  (vi) the entity is controlled or jointly controlled by a person identified in (a);
  (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); and
  (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Group.

Property, plant and equipment and depreciation
Items of property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

Expenditure incurred after items of property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to income and expenditure in the period in which it is incurred. In situations where the recognition criteria are satisfied, the expenditure for a major inspection is capitalised in the carrying amount of the asset as a replacement. Where significant parts of property, plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Property, plant and equipment and depreciation (continued)
Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Owned assets	
Buildings	50 years
Leasehold improvements	Over the shorter of the lease terms and 8 years
Machinery, motor vehicles, furniture, fixtures and computer equipment	3 years to 15 years
Programme and training equipment	4 years
Right-of-use assets	
Leasehold land	Over the lease terms
Other properties leased for own use	Over the lease terms

The gain or loss on disposal of items of property, plant and equipment is the difference between the net sales proceeds and the carrying amount of the relevant asset and is recognised in income and expenditure.

The assets' residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at least at each financial year end.

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately.

An item of property, plant and equipment including any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in income and expenditure in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Impairment of non-financial assets
The Group assesses at the end of each reporting period whether there is an indication that a non-financial asset may be impaired. If such an indication exists, the Group makes an estimate of the asset's recoverable amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. Where an asset does not generate cash inflows largely independent of those from other assets, the recoverable amount is determined for the smallest group of assets that generates cash inflows independently (i.e., a cash-generating unit).

An impairment loss is recognised in income and expenditure whenever the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount. A reversal of the impairment loss is limited to the asset's carrying amount that would have been determined had no impairment loss been recognised in prior years. The reversal of the impairment loss is credited to income and expenditure in the year in which it arises.

Leases
Group as a lessee
A contract is, or contains, a lease if the contract conveys a right to control the use of an identified asset for a period of time in exchange for consideration. Control is conveyed where the customer has both the right to obtain substantially all of the economic benefits from use of the identified asset and the right to direct the use of the identified asset. All leases with a term of more than 12 months are recognised as assets representing the right of use of the underlying asset and liabilities representing the obligation to make lease payments, unless the underlying asset is of low value. Both the assets and the liabilities are initially measured on a present value basis. Right-of-use assets are recognised under property, plant and equipment and are measured at cost less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of the lease liabilities. Right-of-use assets are depreciated on a straight-line basis over the shorter of the useful lives of the assets and the lease terms. Lease liabilities are initially measured at the present value of lease payments to be made under the lease terms and subsequently adjusted by the effect of the interest on and the settlement of the lease liabilities, and the re-measurement arising from any reassessment of the lease liabilities or lease modifications.

Group as a lessor
Where the Group is the lessor, assets leased by the Group are included in non-current assets, and rentals receivable are credited to income and expenditure on the straight-line basis over the lease terms.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Financial assets
Trade receivables that do not contain a significant financial component or for which the Group has applied the practical expedient of not adjusting the effect of a significant financial component are measured at the transaction price determined under HKFRS 15. All the other financial assets are initially recognised at fair value plus transaction costs that are attributable to the acquisition of the financial assets, except in the case of financial assets recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace are recognised on the trade date, that is, the date that the Group commits to purchase or sell the assets.

(a) Classification and measurement
Debt instruments are measured at amortised cost using the effective interest rate method, subject to impairment if the assets are held for the collection of contractual cash flows where those contractual cash flows represent solely payments of principal and interest.

Debt instruments that do not meet the criteria for amortised cost or as financial assets at fair value through other comprehensive income are measured at fair value through profit or loss. Interest income for these financial assets is included in finance income.

Equity investments are measured at fair value through profit or loss unless, on initial recognition, the Group has irrevocably elected to designate such investments that are not held for trading as equity investments at fair value through other comprehensive income. Dividends of such investments are recognised in profit or loss when the Group's right to receive payment is established. Changes in the fair value of such investments are recognised in other comprehensive income and are never recycled to profit or loss even when the assets are sold.

(b) Impairment
The Group applies the expected credit loss model on all the financial assets that are subject to impairment. For trade receivables without a significant financing component, the Group applies the simplified approach which requires impairment allowances to be measured at lifetime expected credit losses.

For other financial assets, impairment allowances are recognised under the general approach where expected credit losses are recognised in two stages. For credit exposures where there has not been a significant increase in credit risk since initial recognition, the Group is required to provide for credit losses that result from possible default events within the next 12 months. For those credit exposures where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure irrespective of the timing of the default.

The Group considers that a default has occurred when a financial asset is more than 90 days past due unless the Group has reasonable and supportable information to demonstrate that a more appropriate default criterion should be applied.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Financial assets (continued)
(c) Derecognition
Financial assets are derecognised when the rights to receive cash flows from the assets have expired; or where the Group has transferred its contractual rights to receive the cash flows of the financial assets and has transferred substantially all the risks and rewards of ownership; or where control is not retained.

Financial liabilities
Financial liabilities include lease liabilities, trade payables, other payables, accruals and amounts due to related parties. They are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, they are subsequently measured at amortised cost using the effective interest rate method.

Financial liabilities are derecognised when they are extinguished, i.e., when the obligation is discharged or cancelled, or expires.

Offsetting of financial instruments
Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Inventories
Inventories are stated at the lower of cost and net realisable value. Cost is determined on the first-in, first-out basis. Net realisable value is based on estimated selling prices less any estimated costs to be incurred to completion and disposal.

Cash and cash equivalents
Cash and cash equivalents in the statement of financial position comprise cash on hand and at banks, and short-term highly liquid deposits with a maturity of generally within three months that are readily convertible into known amounts of cash, subject to an insignificant risk of changes in value and held for the purpose of meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and at banks, and short-term deposits, as defined above, less bank overdrafts which are repayable on demand and form an integral part of the Group's cash management.

Provisions
A provision is recognised when a present obligation (legal or constructive) has arisen as a result of a past event and it is probable that a future outflow of resources will be required to settle the obligation, provided that a reliable estimate can be made of the amount of the obligation.

When the effect of discounting is material, the amount recognised for a provision is the present value at the end of the reporting period of the future expenditures expected to be required to settle the obligation. The increase in the discounted present value amount arising from the passage of time is included in income and expenditure.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Income tax
Income tax comprises current and deferred tax. Income tax relating to items recognised outside income and expenditure is recognised outside income and expenditure, either in other comprehensive income or directly in equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period, taking into consideration interpretations and practices prevailing in the countries in which the Group operates.

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

(a) when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss and does not give rise to equal taxable and deductible temporary differences; and

(b) in respect of taxable temporary differences associated with investments in subsidiaries, associates and joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, and the carryforward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carryforward of unused tax credits and unused tax losses can be utilised, except:

(a) when the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss and does not give rise to equal taxable and deductible temporary differences; and

(b) in respect of deductible temporary differences associated with investments in subsidiaries, associates and joint ventures, deferred tax assets are only recognised to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be recovered.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Income tax (continued)
Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if and only if the Group has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Revenue recognition
Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of goods or services is transferred to the customers at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

When the consideration in a contract includes a variable amount, the amount of consideration is estimated to which the Group will be entitled in exchange for transferring the goods or services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

When the contract contains a financing component which provides the customer with a significant benefit of financing the transfer of goods or services to the customer for more than one year, revenue is measured at the present value of the amount receivable, discounted using the discount rate that would be reflected in a separate financing transaction between the Group and the customer at contract inception. When the contract contains a financing component which provides the Group with a significant financial benefit for more than one year, revenue recognised under the contract includes the interest expense accreted on the contract liability under the effective interest method. For a contract where the period between the payment by the customer and the transfer of the promised goods or services is one year or less, the transaction price is not adjusted for the effects of a significant financing component, using the practical expedient in HKFRS 15.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Revenue recognition (continued)
Revenue from contracts with customers (continued)

(a) Hostel room and hall revenue
Revenue from hostel room and hall is recognised when the services have been rendered. Hostel room and hall revenue are recognised over the stay of customers within the hostel and usage of the hall, respectively. The Group receives deposits from customers when the reservation is made. The deposits received from the contracts prior to meeting the criteria for revenue recognition are recognised as contract liabilities. Prices invoiced to the customers are representative of their stand-alone selling prices.

(b) Sale of merchandise, food and beverages
Revenue from the sale of merchandise, food and beverages is recognised at the point in time when the control of the assets is transferred to the customer, generally when the customer takes possession of and accepts the merchandise, food and beverages.

(c) Others
Revenue from the rendering of services is recognised when the services have been rendered.

Revenue from other sources
Subventions and donations are recognised when there is a reasonable assurance that the Group will comply with all conditions attaching to it and that the subventions and donations will be received.

License income is recognised on a time proportion basis over the lease terms.

Income from fund raising activities is recognised when the events are completed.

Other income
Interest income is recognised on an accrual basis using the effective interest method by applying the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, when appropriate, to the net carrying amount of the financial asset.

Dividend income is recognised when the shareholders' right to receive payment has been established, it is probably that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably.

2.5 MATERIAL ACCOUNTING POLICIES (continued)

Contract liabilities
A contract liability is recognised when a payment is received or a payment is due (whichever is earlier) from a customer before the Group transfers the related goods or services. Contract liabilities are recognised as revenue when the Group performs under the contract.

Foreign currency transactions
Transactions in foreign currencies are translated into the functional currency of the Group using the exchange rates prevailing at the dates of the transactions. Exchange differences arising from the settlement of such transactions and from the retranslation at the year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in income and expenditure.

Employee benefits
The Group pays contributions to a defined contribution retirement scheme and a mandatory provident fund scheme (the "MPF Scheme") in Hong Kong under the Mandatory Provident Fund Schemes Ordinance. Contributions are made based on a percentage of the employees' basic salaries and are charged to the statement of profit or loss as they become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Group in an independently administered fund. The Group's employer contributions vest fully with the employees when contributed into the MPF Scheme.

The Group has no further payment obligations once the contributions have been paid. The contributions are recognised as an employee benefit expense when they are due and, for the defined contribution retirement scheme, are reduced by contributions forfeited by those employees who leave the defined contribution retirement scheme prior to vesting fully in the contributions. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS

Judgements
In the process of applying the Group's accounting policies, management has made the following judgements apart from those involving estimations which have the most significant effect on the amounts recognised in the consolidated financial statements.

Income taxes
Significant judgements on the future tax treatment of certain transactions are required in determining income tax provisions. The Group carefully evaluates tax implications of transactions and tax provisions are recorded accordingly. The tax treatment of such transactions is reconsidered periodically to take into account all changes in tax legislation.

9. PROPERTY, PLANT AND EQUIPMENT (continued)

Notes:

(a) The Group's right of use of leasehold land represents prepaid lease payments. The leasehold land, together with the owned buildings, is held for own use.

Leasehold land includes a piece of land owned by the Group which was bequeathed by the late Mr. Wong Fuk Hong and is held under a medium-term lease and situated at Lot 3934 RP, 3936, 4679 and 4680 RP in Demarcation District No. 51 in Fanling, the New Territories. It is stated at a nominal value of HK$4 in the consolidated financial statements.

Leasehold land also includes the following parcels of land which were donated to the Group in previous years for no consideration. They are stated at a nominal value of HK$1 in the consolidated financial statements.

Location of leasehold land	Lease period
1. Inland Lot No. 8961, North Point, Hong Kong	Up to year 2026
2. Lot No. 131 in DD 60, Au Tau, Yuen Long, New Territories	Up to year 2026
3. Tai Po Town Lot No. 190, Tai Po, New Territories	Up to year 2026
4. New Kowloon Inland Lot No. 6530, Kowloon Tong, Kowloon	Up to year 2026
5. Lot No. 1207 in DD 217, Sai Kung, New Territories	Up to year 2027

11. Rural Building Lot No. 873, Tai Tam, Hong Kong	Up to year 2060

(b) The Group holds several buildings and is the registered owner of these property interests, including the whole or part of undivided share in the underlying land. Lump sum payments were made upfront to acquire these property interests from their previous registered owners, and there are no ongoing payments to be made under the terms of the land lease, other than payments based on rateable values set by the relevant government authorities. These payments vary from time to time and are payable to the relevant government authorities.

(c) The Group leases certain of its offices and centres through tenancy agreements. Leases for these assets are negotiated for terms of three years with extension options. All the lease payments are fixed and are usually reviewed every 3 years to reflect market rentals.

(d) At 31 March 2026, the Group had right-of-used assets, including leasehold land and other properties leased for own use, with an aggregate carrying amount of HK$15,719,000 (2025: HK$11,689,000).

Listed debt investments, Hong Kong	(iv)	436,686	511,236
Total		823,297	906,943
Financial assets included in current assets		(350,078)	(436,201)
Financial assets included in non-current assets		473,219	470,742

Notes:

(i) The above equity investments were irrevocably designated at fair value through other comprehensive income as the Group considers these investments to be strategic in nature.

(ii) The Group invested in the fund managed by a creditworthy licensed corporation. The above unlisted funds were mandatorily classified as financial assets at fair value through profit or loss as their contractual cash flows are not solely payments of principal and interest.

(iii) The Group appointed a licensed corporation as an investment manager to invest on behalf of the Group, in order to preserve the Group's capital and seek for a steady and stable return in the long run. The above equity and debt investments were mandatory classified as financial assets at fair value through profit or loss as the investment manager will monitor the market condition and adjust the investment strategy of the equity and debt investments, when necessary.

10. OTHER FINANCIAL ASSETS (Continued)

Notes: (Continued)

(iv) The above listed debt investments were classified as financial assets at amortised cost as their contractual cash flows are solely payments of principal and interest.

Impairment assessment of debt investments at amortised cost
As at 31 March 2026, none of the debt investments were overdue (2025: Nil) and all the debt investments were categorised within Stage 1 for the measurement of expected credit losses. The debt instruments are bonds issued by corporations that are graded as investment grade among rating agencies, therefore the loss allowance for the impairment of these debt investments was considered to be not significant to the Group during the years ended 31 March 2026 and 2025.

11. INVENTORIES

	2026 HK$'000	2025 HK$'000
Food and beverages	311	973
Uniforms and accessories	4,272	5,632
Total	4,583	6,605

12. RECEIVABLES, DEPOSITS AND PREPAYMENTS

	Notes	2026 HK$'000	2025 HK$'000
Trade receivables	(i)	3,599	3,995
Other receivables	(ii), (iii)	86,859	74,839
Deposits		1,527	1,358
Prepayments		8,888	6,586
Total		100,873	86,778

The credit period granted by the Group is generally within one month. The Group seeks to maintain strict control over its outstanding receivables and has a credit control department to minimise the credit risk and overdue balances are reviewed regularly. Trade receivables are non-interest-bearing.

12. RECEIVABLES, DEPOSITS AND PREPAYMENTS (Continued)

Notes:

(i) The Group's customers normally settle their bills in a timely manner and the Group's trade receivables as at the end of the reporting period aged less than three months. As such, the Group's exposure to credit risk is insignificant and management of the Group was of the opinion that the expected credit losses of these trade receivables are minimal.

(ii) The carrying amounts of other receivables approximated to their fair values as at 31 March 2026 and 2025. Their recoverability was assessed with reference to the credit status of the debtors, and the expected credit loss as at 31 March 2026 and 2025 is considered to be minimal.

(iii) Other receivables include the net balances of HK$58,759,000 (2025: HK$17,988,000), Nil (2025: HK$1,481,000) and HK$1,375,000 (2025: Nil) for capital redevelopment of Tai Tam Scout Centre, Pak Sha Wan Tam Wah Ching Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre respectively. During the year, donation received from The Hong Kong Jockey Club Charities Trust for these three projects were Nil (2025: HK$11,007,000), HK$2,098,000 (2025: HK$3,393,000) and HK$146,000 (2025: Nil) respectively.

13. AMOUNTS DUE FROM/TO RELATED PARTIES

Related parties represent other Scout Units, mainly the Friends of Scouting, Commissioners' Club, the Baden-Powell Scout Club of Hong Kong, Education Centre, Asia-Pacific Regional Scout Foundation, Scout Districts and Scout Groups.

The balance due from/to related parties are unsecured, interest-free and recoverable/repayable on demand.

14. CASH AND CASH EQUIVALENTS

	2026 HK$'000	2025 HK$'000
Cash and bank balances	310,657	170,313
Time deposits	253,355	198,426
Cash and cash equivalents	564,012	368,739

Cash at banks earns interest at floating rates based on daily bank deposit rates. Short term time deposits are made for varying periods of between one day and one year depending on the immediate cash requirements of the Group, and earn interest at the respective short term time deposit rates. The carrying amounts of the cash and cash equivalents are approximate to their fair values.

At the end of the reporting period, the Group had the following cash and cash equivalents that were denominated in the following currencies:

	2026 HK$'000	2025 HK$'000
HK$	442,818	299,891
Renminbi ("RMB")	17,419	10,906

Total		75,603	67,272
Contract liabilities	(iii)	4,308	3,528

The trade and other payables of the Group are non-interest-bearing and are normally settled within one year (2025: one year).

Notes:

(i) Receipts in advance include receipts of HK$337,000 (2025: HK$1,792,000) from The Hong Kong Jockey Club Charities Trust in the current year. During the year, HK$2,204,000 (2025: HK$1,287,000) was expended for "Jockey Club Badges: Preparing Tomorrow's Leaders". As at 31 March 2026, the remaining balance was HK$229,000 (2025: HK$2,096,000).

(ii) Temporary receipts include receipts of HK$432,000 (2025: HK$441,000) from the Home and Youth Affairs Bureau of the HKSAR in the current year. During the year, HK$522,000 (2025: HK$663,000) was expended for "Assistance Scheme operated by Uniformed Groups and the Hong Kong Award for Young People for Needy Student Members". As at 31 March 2026, the remaining balance was Nil (2025: Nil).

21. FINANCIAL INSTRUMENTS BY CATEGORY

Except for equity investments which are categorised as financial assets at fair value through other comprehensive income and financial assets at fair value through profit and loss, the financial assets of the Group comprise debt investments, trade and other receivables, deposits, amounts due from related parties and cash and bank balances which are categorised as financial assets at amortised cost. The carrying amounts of these financial assets are the amounts shown in the consolidated statement of financial position or notes to the financial statements.

The financial liabilities of the Group comprise trade and other payables, contract liabilities, lease liability, and amounts due to related parties which are categorised as financial liabilities at amortised cost. The carrying amounts of these financial liabilities are the amounts shown in the consolidated statement of financial position or notes to the financial statements.

22. FAIR VALUE HIERARCHY OF FINANCIAL ASSETS AND LIABILITIES

Fair value hierarchy

The following tables illustrate the fair value measurement hierarchy of the Group's financial instruments as at 31 March 2026 and 2025:

As at 31 March 2026

Listed debt investments	130,393	-	-	130,393
Total	259,460	136,247	-	395,707

There have been no transfers between Level 1 and Level 2 during the year (2025: Nil). The fair values of listed equity investments in Hong Kong are derived from quoted prices in active markets.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The main risks arising from the Group's financial instruments are foreign currency risk, equity price risk, interest rate risk, credit risk and liquidity risk. The Executive Committee members review and agree policies for managing such risk and it is summarised below.

Foreign currency risk

In the opinion of the Executive Committee, the Hong Kong dollar to United States dollar exchange rate is reasonably stable under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies and, therefore, the Group considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respect of balances denominated in Renminbi, the Group ensures that the net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates where necessary to address short-term imbalances.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Equity price risk (continued)

The following table demonstrates the sensitivity to every 5% change in the fair values of the equity investments, with all other variables held constant and before any impact on tax, based on their carrying amounts at the end of the reporting period. For the purpose of this analysis, for the equity investments at fair value through other comprehensive income, the impact is deemed to be on the investment revaluation reserve.

	Carrying amount of equity investments HK$'000	Increase/ (decrease) in profit before tax HK$'000	Increase/ (decrease) in equity HK$'000
2026			
Investments listed in:			
Hong Kong – Equity investments at fair value through other comprehensive income	81,321	-	4,066
Overseas – Equity investments at fair value through profit or loss	79,180	3,959	-
2025			
Investments listed in:			
Hong Kong – Equity investments at fair value through other comprehensive income	56,021	-	2,801
Overseas – Equity investments at fair value through profit or loss	73,046	3,652	-

Interest rate risk

The Group is exposed to fair value interest rate risk in relation to debt instruments at amortised cost and at fair value through profit or loss. The Group mitigates the risk by monitoring closely the movements in interest rates and has not used any derivative to hedge its exposure to interest rate risk.

The Group is exposed to cash flow interest rate risk through the impact of rate changes on interest bearing financial assets. Interest bearing financial assets are mainly cash and deposits at banks which are all short term in nature. Therefore, any future variations in interest rates will not have a significant impact on the results of the Group.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Credit risk

The Group's credit risk is primarily attributable to listed debt investments, cash and bank deposits and receivables. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

Cash and bank deposits are placed with financial institutions with sound credit ratings to minimise credit exposure.

Maximum exposure and year-end staging as at 31 March 2026

The table below shows the credit quality and the maximum exposure to credit risk based on the Group's credit policy, which is mainly based on past due information unless other information is available without undue cost or effort, and year-end staging classification as at 31 March 2026. The amounts presented are gross carrying amounts for financial assets.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Credit risk (continued)

Maximum exposure and year-end staging as at 31 March 2025

The table below shows the credit quality and the maximum exposure to credit risk based on the Group's credit policy, which is mainly based on past due information unless other information is available without undue cost or effort, and year-end staging classification as at 31 March 2025. The amounts presented are gross carrying amounts for financial assets.

	12-month expected credit losses	Lifetime expected credit losses			
	Stage 1 HK$'000	Stage 2 HK$'000	Stage 3 HK$'000	Simplified approach HK$'000	Total HK$'000

Total	956,056	-	-	3,995	960,051

* The credit quality of the financial assets included in other receivables and financial assets measured at amortised cost in other financial assets is considered to be "normal" when they are not past due and there is no information indicating that the financial assets had a significant increase in credit risk since initial recognition. Otherwise, the credit quality of the financial assets is considered to be "doubtful".

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Group aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfil its commitments and current working capital requirements.

The remaining contractual maturities at the end of the reporting period of the Group's financial liabilities are within one year or on demand.

In order to manage the above liquidity demands, at 31 March 2026, cash and cash equivalents amounting to HK$553,315,000 (2025: HK$343,134,000) is considered readily realisable.

Capital management

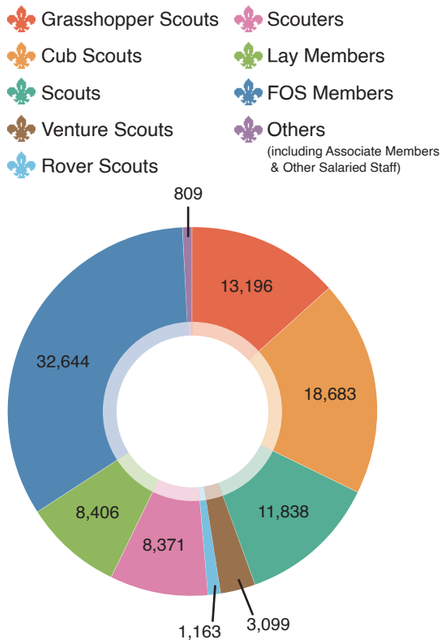

The primary objective of the Group's capital management is to safeguard the Group's ability to continue as a going concern in order to maintain an optimal capital structure.

24. APPROVAL OF THE CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements were approved and authorised for issue by the Executive Committee members on 3 July 2026.

Brief Introduction

Scout Movement is founded in 1907 by Lord Robert Baden-Powell, known as B-P, in England. Scout activities were first brought to Hong Kong in 1909. In 1911, some British merchants and military personnel started organizing Scout Groups. Scout Movement is a voluntary non-political educational movement for young people globally. Nowadays, The World Organization of the Scout Movement is made up of more than 170 National Scout Organizations, from over 220 countries and territories, with Scout members (without distinction of race, religion, creed or gender) exceeding 57 million all over the world. Developing for over a century, Scout Association of Hong Kong is the largest local youth uniformed group.

Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Values

We recognize the importance for adults to act as role models to nurture young people:

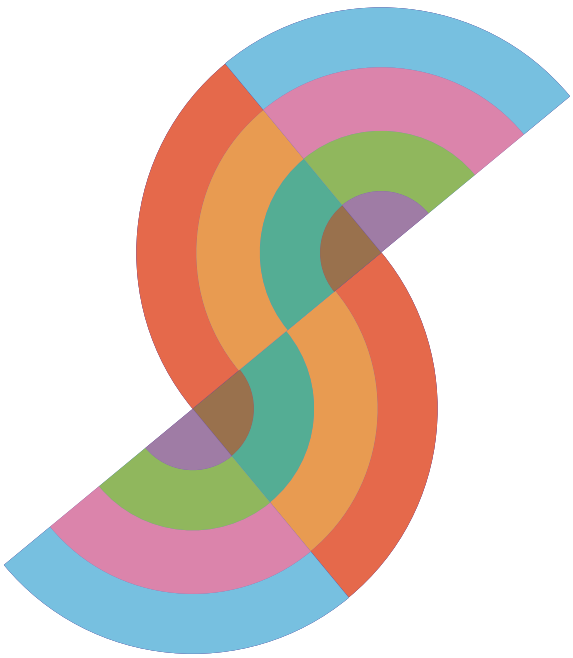

- to develop a sense of self-worth, national identity and civic responsibility;
- to respect equality and fairness in dealings with all people;
- to appreciate diversity and inclusion, to possess global perspectives, and to promote world peace and sustainable development.

Scout Promise

On my honour, I promise that I will do my best to do my duty to God and to my Country to help other people and to keep the Scout Law.

Scout Law

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout is friendly and considerate.
4. A Scout belongs to the world-wide family of Scouts.
5. A Scout has courage in all difficulties.
6. A Scout makes good use of time and is careful of possessions and property.
7. A Scout has self respect and respect for others.
