Online Shop Arrangements

Thank you for your continuous support to the Online Shop (www.hkscoutshop.org.hk). Starting from 1 January 2023, the Scout Shop will maintain the minimum online purchase order amount as HK\$200 and adjust the local delivery charge for the 1st kilogram to HK\$35*.

Scout Groups going for **group purchases** can order, apart from through Online Shop, by email to scoutshop@scout.org.hk or by fax to 2377 2729. In placing orders, information like Scout Group number, contact person and phone number, product name/size/colour/quantity as well as the choice of delivery service/self-pickup should be provided. The Scout Shop will get back to the Scout Group on the stock availability and payment arrangement, and can provide price quotation upon request.

If you have any enquiries, please feel free to contact our staff at 2957 6444.
