

Asia-Pacific Regional Scout Foundation

(亞太區童軍基金)

The APR Scout Foundation was established in 1991 and raised funds in the course of more than 25 years. The Foundation envisions the growth of quality Scouting in member countries and to strengthen self-reliance. To achieve this, grants and non-interest bearing loans are provided to member countries for various projects. Grants are offered for community-based projects while loans are offered for income-generating ventures, infrastructural and entrepreneurship proposals.
