

“Hong Kong Scouts” App

The first mobile app of the Scout Association of Hong Kong, namely “Hong Kong Scouts” App, has been launched. It provides one-stop Scouting information and various personalisation functions that bring new user experience to Scout members and others. The current version includes the following :

(I) Main contents

- (a) Scout Happenings : What’s new, events, announcements, policies & guidelines, administration and share
- (b) Events : Filter, search, bookmark messages easily, and set reminder notifications to sign up before deadline
- (c) Share : District and above Scout Units to share publications, anecdotes, event photos, video links, etc.
- (d) Unit Information : Opening/meeting hours, contact details, website, FB and IG, click-to-call/email function
- (e) Useful Information : Youth member sections, Wood Badge & adult training, policies, guidelines & forms, etc.

(II) Key functions

- (a) My Follow : Receive App push notifications from selected publishing Scout Units, Message Categories or Targets
- (b) My Bookmark : Bookmark the interested or frequently used messages, which can be further filtered or searched
- (c) My Calendar : Event dates of followed and bookmarked events are clear at a glance, and the event information can be added to mobile phone/tablet calendar
- (d) User Interface : Choose the normal / dark mode, Chinese / English display and font size in the settings according to personal needs

2. “Hong Kong Scouts” App can be downloaded and installed according to the operating system of the mobile phone/tablet to obtain Scouting information :

iOS phones/tablets (Download and install via App Store)	Android phones/tablets (Download and install via Google Play)	Other phones/tablets (Download and install the APK file direct)
		

3. For any issues on “Hong Kong Scouts” App installation and use, please contact Information Technology Branch at 2957 6345 or email to it@scout.org.hk.

Desmond SAM Wai-kin
Assistant Chief Commissioner (Information Technology and Support)
