

Grasshopper Scout Pilot Scheme

To cater for the growth and developmental needs of young people, the Chief Commissioner's Council has passed a resolution to introduce the Grasshopper Scout Pilot Scheme (Pilot Scheme) with effect from 1 September 2021.

Under the Pilot Scheme, children may be admitted to the Grasshopper Section at age 4. They may engage in activities and assessments for progressive awards according to the requirements set out in the [Guide to Grasshopper Scout Activities \(Chinese version only\)](#) (QR code available below), as well as participate in Scout activities organised by different Scout units.

The Association will examine and adjust the relevant policies and complementary measures while the Pilot Scheme is in force with timely review of its effectiveness.
