## **The 64<sup>th</sup> Jamboree-On-The-Air (JOTA) cum the 25<sup>th</sup> Jamboree-On-The-Internet (JOTI)**

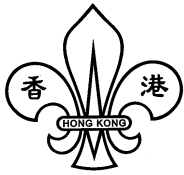

The Jamboree-On-The-Air cum Jamboree-On-The-Internet (JOTA-JOTI) is an annual international event for World Scouting organized by the World Organization of the Scout Movement. It takes place during the 3<sup>rd</sup> weekend of October every year and millions of Scouts and Guides worldwide will make contact with one another over the weekend via the Internet and radio. Scouts around the world are encouraged to engage in conversations through radio and telecommunications for exploring similarities and differences among one another in culture and Scouting.

To celebrate the 110<sup>th</sup> anniversary of Scouting in Hong Kong, we are eager to introduce our anniversary events to Scouts around the globe through radio and the internet. Besides, JOTA-JOTI provides us with opportunities to communicate with foreign Scouts and to understand how we have overcome the tough pandemic situation.

The ongoing pandemic situation has been impeding execution of Scouting activities. Activities and assemblies were cancelled; deferred or conducted virtually. We believe everyone longs for face-to-face activities and have therefore designed a series of Sustainable Development Goals (SDGs) oriented activities for Scouts in Hong Kong and hopefully everyone can enjoy the weekend.

Scout members are welcome to join the JOTA-JOTI through the following activities:

- Local online events including seminars via Zoom, fun quiz, and live or recorded broadcast events (Designed for Cub Scouts, Scouts, Venture Scouts and Rover Scouts).
