

**Promotion of National/Regional Flag Etiquettes and
the Flag-raising Ceremony**

All members of the Scout Association of Hong Kong have always upheld the Scout Promise of “I will do my best to do my duty to my Country”, and have always aimed to become responsible citizens. To further enhance the practice of Scout Promise mentioned, as well as to act in concert with HKSAR Education Bureau’s guidelines on National/Regional Flag Etiquettes and the Flag-raising Ceremony, the Association will promote National/Regional Flag Etiquettes to all youth members including Grasshopper Scouts and Cub Scouts, adult members, Scout groups and units. Also, the Association encourages all members to actively participate in the National/Regional Flag-raising ceremonies.

Programme Branch will launch various “National/Regional Flag Etiquettes Workshops” to help Youth Members, Leaders and Districts Staff having better understanding on the ceremonies and etiquettes. While Scout Districts are expected to provide support to all Scout groups, further related details will be announced through the Association website.
