

Prerequisite for nomination of Scouters/ Commissioners

This Circular substitutes Policy Circular No. 12/2018 issued on 1 January 2018.

With effect from 15 December 2021¹, nominees for Scouters/ Commissioners must have completed the General Information (GI) Course and the Safe from Harm (SfH) E-learning Exercise before appointed by the Association. The GI Course and the SfH E-learning exercise would ensure all newly appointed Scouters/ Commissioners have a basic understanding towards the aim of the Scout Movement, the system and the method of training and the Association's Safe from Harm Policy.

Those Scouters/ Commissioners already appointed before Safe from Harm Policy becomes effective should complete the SfH E-learning exercise and obtain the Training Certificate as soon as possible.

Revised Appointment Nomination Form [Form A01(Rev.12/2021)] will be effective on the same date. All first-time nominees should attach copies of the corresponding Training Certificates for proof when submitting the Nomination Forms.

For information of the GI Course and SfH E-learning Exercise, please refer to the Training Circular concerned.
