Scout Shop Circular No 02/2020

15 October 2020

Quick and easy purchase at Online Shop during peak season

Opening of the school year is the peak period for purchasing Scout uniform and items. Facing the impacts of the epidemic situation this year, the Scout Shop will, in addition to strengthening the anti-epidemic measures at shops, implement crowd management at shops in order to avoid the spread of virus. To reduce long queuing time and avoid crowding of large number of customers at shops, the Scout Shop encourages customers to purchase Scout uniform and other items through Online Shop (www.hkscoutshop.org.hk) and choose delivery service or self-pickup at Main Shop. For the purpose, the Scout Shop will effect concessionary arrangements for purchases at Online Shop during **15th October to 31st December 2020** with details as follows :

1. Minimum order amount reduced to HK\$200
2. Local delivery charge for the 1st kilogram reduced to HK\$30*

Scout Groups going for **group purchases** can order, apart from through Online Shop, by email to scoutshop@scout.org.hk or by fax to 2377 2729. In placing orders, information like Scout Group number, contact person and phone number, product name/size/colour/quantity as well as the choice of delivery service/self-pickup should be provided. The Scout Shop will get back to the Scout Group on the stock availability and payment arrangement, and can provide price quotation upon request.

If it is preferred to purchase at shop but with 5 or more people together, please call at 2957 6444 or email to scoutshop@scout.org.hk at least 3 days in advance to obtain a group-purchase time slot quota confirmed by Scout Shop staff before visiting the Main Shop or Wanchai Branch.

For enquiries, please contact our staff at 2957 6444.
